LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

1. INTRODUCTION

1.1 Introduction

On 26 April 2024, the Company announced that it intended to, subject to prevailing market conditions at the time of the proposed AIM Admission, seek a dual listing of the Company on the AIM market of the London Stock Exchange and that the Company may also seek to raise additional capital from investors at the time of the AIM Admission. The Company intends to undertake the Placing in connection with the AIM Admission on the terms and subject to the conditions set out in the Placing Agreement, and will release further announcements relating to the Placing, AIM Admission and Placing Agreement as may be appropriate from time to time.

The Placing will not be underwritten and will be undertaken on the basis of the exemption(s) set out in Sections 272B(1) and/or 274 and/or 275 and/or 277 (as applicable) of the SFA. Accordingly, the Company may lodge an offer information statement with the Monetary Authority of Singapore (the "**MAS**") (together with all other accompanying documents) in connection with the Placing, pursuant to Section 277 of the SFA.

The Placing may comprise up to 130,000,000 New Shares at the Placing Price, representing approximately 33.5% of the Existing Issued Share Capital and will represent approximately 25.1% of the Enlarged Issued Share Capital. It is presently intended that trading in Shares on AIM and SGX-ST will be conducted in GBP and S\$ respectively.

Pursuant to Rule 811(3) of the Catalist Rules, as the Company is seeking specific Shareholders' approval for the allotment and issue of the New Shares, which may be at a discount of more than 10% to the SGX-ST Market Price, Rules 811(1) of the Catalist Rules (which prohibits discount beyond a 10% threshold) is not applicable.

The New Shares will not be allotted and issued so as to transfer a controlling interest in the Company without the prior approval of the Shareholders in a general meeting as required under Rule 803 of the Catalist Rules.

Shareholders should note that the AIM Admission and Placing are subject to approval from the London Stock Exchange and the exact Placing Price, the actual number of New Shares to be issued, the structure and details of the Placing remain subject to change at this juncture. The proposed AIM Admission and Placing are also subject to, *inter alia*, satisfactory completion of due diligence by certain appointed professional advisers, approval from regulatory authorities, approval by the London Stock Exchange and such other approvals by the Shareholders and the SGX-ST, where required, and is also dependent on the then prevailing market conditions, therefore there can be no guarantee that the AIM Admission will take place or the specific timing thereof.

The Company will determine the exact structure and details of the Placing (including the exact Placing Price and the actual number of New Shares to be issued) closer to the launch of the Placing, having regard to, *inter alia*, the demand for the Placing and the then prevailing market price of the Shares on the SGX-ST. If, for any reason, the Placing Price is not agreed between the Company and the Broker, the Placing and the AIM Admission will not proceed and will lapse. Any indicative (and illustrative) Placing Price and the number (and percentage) of New Shares used in this Circular in relation to the AIM Admission are strictly intended as illustrations only and should not be taken to be in any way a statement or an indication of the expected, forecasted or actual Placing Price and the actual number (or percentage) of New Shares. Accordingly, there is no assurance that the actual Placing Price or the actual number (or percentage) of New Shares will not vary from the illustrations set out in this Circular.

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

Copies of the announcements made or to be made by the Company relating to the proposed AIM Admission and the proposed Placing referred to in this Circular are or will be made available on SGXNet at the URL <https://www.sgx.com/securities/company-announcements>.

In conjunction with the proposed AIM Admission, the Company will be required to adopt a New M&AA to comply with the relevant laws and regulations, including, *inter alia*, the disclosure and listing requirements of the SGX-ST and AIM. Please refer to Section 4 of this Circular for further details on the Proposed Adoption of the New M&AA.

Separately, the Company intends to expand its existing IPT General Mandate, details of which can be found on pages 230 to 242 of the Company's offer document dated 8 November 2023 in relation to its listing on the SGX-ST (the "**Proposed Adoption of the New IPT General Mandate**"). Please refer to Section 7 of this Circular for further details on the Proposed Adoption of the New IPT General Mandate.

1.2 Acer Placement

The Acer Group has indicated that they will participate in the Placing by subscribing for New Shares under the Placing (the "**Acer Placement**") for an aggregate subscription consideration of up to £6.0 million¹ (or approximately S\$10.3 million), which will allow them to continue to have an interest in such number of Shares representing at least 51.0% of the Enlarged Issued Share Capital.

The Acer Group intends to participate in the Placing primarily so as to minimise dilution in its shareholding and to ensure that it continues to have an interest in such number of Shares representing at least 51.0% of the Enlarged Issued Share Capital, for its strategic investment purposes and also to aid the Company in raising a minimum amount of funds from the Placing. However, in the event that the demand for the Placing Shares is sufficient and/or the size of the Placing is less than S\$17.6 million (or approximately £10.2 million) at a minimum Placing Price of S\$0.20 (or approximately £0.1165), the Acer Group may elect to not participate in the Placing or to calibrate its participation in the Placing as it will be able to maintain its interest in such number of Shares representing at least 51.0% of the Enlarged Issued Share Capital. In any event, it is envisaged that the Acer Group will remain the largest Controlling Shareholder of the Company immediately following the Placing and AIM Admission.

Pursuant to Rule 812(2) of the Catalist Rules, an issue of securities must not be placed to any of the persons listed under Rule 812(1) of the Catalist Rules, which include the issuer's directors and substantial shareholders, unless specific shareholders' approval has been obtained.

In addition, pursuant to Rule 906(1) of the Catalist Rules, an issuer must obtain shareholders' approval for any interested person transaction of a value equal to, or more than (a) 5.0% of the Group's latest audited NTA or (b) 5.0% of the Group's latest audited NTA, when aggregated with other transactions entered into with the same interested person during the same financial year. As the aggregate consideration payable for the New Shares under the Acer Placement of up to approximately £6.0 million¹ (or approximately S\$10.3 million) represents approximately 36.7% of the Group's latest audited NTA as at 31 December 2023 of US\$21.2 million (or approximately S\$28.0 million²), Shareholders' approval is required for the Acer Placement in accordance with Chapter 9 of the Catalist Rules.

As at the Latest Practicable Date:

1 Based on the exchange rate of £1:S\$1.7162 as at the Latest Practicable Date extracted from S&P Capital IQ which has been rounded up to S\$10,300,000.
2 Based on the exchange rate of US\$1:S\$1.3199 as at 31 December 2023 extracted from S&P Capital IQ.

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

- (a) Acer has a deemed interest in 242,546,436 Shares, representing approximately 62.6% of the current issued share capital of the Company;
- (b) Acer Gaming has a direct interest in 212,737,815 Shares, representing approximately 54.9% of the current issued share capital of the Company; and
- (c) Acer SoftCapital has a direct interest in 29,808,621 Shares, representing approximately 7.7% of the current issued share capital of the Company.

Further details of the Acer Placees are set out in Section 2.4 of this Circular.

Accordingly, Shareholders' approval is required in respect of the Acer Placement pursuant to Rules 812 and 906 of the Catalist Rules. In addition, the Acer Placees and each of their associates will be required to abstain from voting on the ordinary resolution in relation to and in connection with approval of the Placing and AIM Admission at the EGM and the ordinary resolution in respect of the Acer Placement, pursuant to Rules 812 and 906 of the Catalist Rules.

1.3 Extraordinary General Meeting

The Board is proposing to convene an EGM to seek Shareholders' approval in respect of the following matters:

- (d) the ordinary resolution in relation to the Acer Placement ("**Ordinary Resolution 4**");
- (e) the ordinary resolution in relation to the Proposed Adoption of the New IPT General Mandate ("**Ordinary Resolution 5**"); and
- (f) the special resolution in relation to the Proposed Adoption of the New M&AA by the Company in substitution for, and to the exclusion of, the Existing M&AA ("**Special Resolution 1**").

In voting for the resolutions set out in the Notice of EGM, Shareholders should note the following:

- (i) the passing of each of Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company are inter-conditional upon the passing of the other, meaning that the passing of Ordinary Resolution 1 in respect of the Placing and AIM Admission is conditional upon the passing of Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company, and *vice versa*. This means that if either of Ordinary Resolution 1 or Special Resolution 1 is not approved by Shareholders at the EGM, none of Ordinary Resolution 1 and Special Resolution 1 would be passed;
- (ii) the passing of Ordinary Resolution 2 in respect of the Johnny Placement is contingent upon the passing of Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company. This means that if Ordinary Resolution 1 in respect of the Placing and AIM

Admission and/or if Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company is not approved by Shareholders, Ordinary Resolution 2 in respect of the Johnny Placement will not be passed;

- (iii) the passing of Ordinary Resolution 3 in respect of the Oliver Placement is contingent upon the passing of Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company. This means that if Ordinary Resolution 1 in respect of the Placing and AIM Admission and/or if Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company is not approved by Shareholders, Ordinary Resolution 3 in respect of the Oliver Placement will not be passed;
- (iv) the passing of Ordinary Resolution 4 in respect of the Acer Placement is contingent upon the passing of Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company. This means that if Ordinary Resolution 1 in respect of the Placing and AIM Admission and/or if Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company is not approved by Shareholders, Ordinary Resolution 4 in respect of the Acer Placement will not be passed;
- (v) the passing of Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company **are not conditional** upon the passing of Ordinary Resolution 2 in respect of the Johnny Placement, Ordinary Resolution 3 in respect of the Oliver Placement, Ordinary Resolution 4 in respect of the Acer Placement and/or Ordinary Resolution 5 in respect of the Proposed Adoption of the New IPT General Mandate. This means that even if any one or more of Ordinary Resolution 2 in respect of the Johnny Placement, Ordinary Resolution 3 in respect of the Oliver Placement, Ordinary Resolution 4 in respect of the Acer Placement and/or Ordinary Resolution 5 in respect of the Proposed Adoption of the New IPT General Mandate are not approved by Shareholders but Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company are approved by Shareholders, Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company will still be passed; and
- (vi) the passing of Ordinary Resolution 5 in respect of the Proposed Adoption of the New IPT General Mandate **is not conditional** upon the passing of Ordinary Resolution 1 in respect of the Placing and AIM Admission, Ordinary Resolution 2 in respect of the Johnny Placement, Ordinary Resolution 3 in respect of the Oliver Placement, Ordinary Resolution 4 in respect of the Acer Placement and/or Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company. This means that even if any of Ordinary Resolution 1 in respect of the Placing and AIM Admission, Ordinary Resolution 2 in respect of the Johnny Placement, Ordinary Resolution 3 in respect of the Oliver Placement, Ordinary Resolution 4 in respect of the Acer Placement and/or Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company are not approved by Shareholders but Ordinary Resolution 5 in respect of the Proposed Adoption of the New IPT General Mandate is approved by Shareholders, Ordinary Resolution 5 in respect of the Proposed Adoption of the New IPT General Mandate will still be passed.

2. THE PROPOSED PLACING TO BE CARRIED OUT IN CONJUNCTION WITH THE AIM ADMISSION

2.1 Introduction

The Company intends to undertake the Placing of up to 130,000,000 New Shares at the Placing Price for each New Share in connection with the proposed AIM Admission to raise up to S\$26.0 million (or approximately £15.15 million), assuming a minimum Placing Price of S\$0.20 (or approximately £0.1165).

The Company has appointed the Broker to procure placees in relation to the Placing. Details of the Placing, including the terms of the Placing Agreement, will be announced by the Company as may be appropriate in due course.

2.2 Timing

Subject to the receipt of all necessary approvals and the conditions set out in Section 6 of this Circular being fulfilled within a time period which the Company can, under the applicable laws, rules and regulations, implement the Placing, and the then prevailing market conditions for equity offerings, the Company intends to complete the Placing and the AIM Admission no later than 31 December 2024. In the event that the Company requires more time to complete the Placing and the AIM Admission, the Board will make an immediate announcement via SGXNet.

However, the Board may, notwithstanding that all necessary approvals have been obtained, decide not to proceed with or to postpone the AIM Admission and the Placing, if, after assessing various factors including the prevailing general economic and capital market conditions, if the Placing Price is not finally agreed amongst the Company or the Nominated Adviser and the Broker or the Board deems that it is not in the best interests of the Group to proceed with the AIM Admission and the Placing. The Board will make an immediate announcement via SGXNet if it decides not to proceed with, or to postpone, the AIM Admission and the Placing.

2.3 Information on the Placing

The proposed terms of the Placing are set out below:

(a) Structure of the Placing

The Company intends to raise a maximum of S\$26.0 million (or approximately £15.15 million) depending on, *inter alia*, demand for the Placing, the prevailing market price of the Shares on the SGX-ST and the overall market sentiment. The maximum of S\$26.0 million (or approximately £15.15 million) to be raised from the Placing was arrived at based on the Company's potential funding requirements to expand the business of the

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

Group and pursue new investment opportunities through, *inter alia*, future mergers and acquisitions, and for general working capital purposes.

Based on the maximum proceeds intended to be raised, the Company may issue up to 130,000,000 New Shares, which represent approximately 33.5% of the Existing Issued Share Capital and 25.1% of the Enlarged Issued Share Capital, at the Placing Price which shall range from not lower than S\$0.20 (or approximately £0.1165) per Share to an indicative maximum amount of S\$0.50 (or approximately £0.2913) per Share. The maximum number of New Shares to be issued was arrived at by dividing S\$26.0 million (or approximately £15.15 million) by the minimum Placing Price of S\$0.20 (or approximately £0.1165).

Shareholders should note that the Placing and the AIM Admission are subject to approval from the London Stock Exchange and the exact Placing Price, the actual number of New Shares to be issued, the structure and details of the Placing have yet to be finally determined and remain subject to change at this juncture.

The Company will determine the exact structure and details of the Placing (including the exact Placing Price and the actual number of New Shares to be issued) closer to the launch of the Placing, having regard to, *inter alia*, the demand for the Placing and the prevailing market price of the Shares on the SGX-ST. If, for any reason, the Placing Price is not finally agreed between the Company, the Nominated Adviser and the Broker, the Placing and the AIM Admission will not proceed and will lapse. Any indicative (and illustrative) Placing Price and the number (and percentage) of New Shares used in this Circular in relation to the AIM Admission is strictly intended as an illustration only and should not be taken to be in any way a statement or indication of the expected, forecasted or actual Placing Price and the actual number (or percentage) of New Shares. Accordingly, there is no assurance that the actual Placing Price or the actual number (or percentage) of New Shares will not vary from the illustrations set out in this Circular.

The New Shares will not be allotted and issued so as to transfer a controlling interest in the Company without the prior approval of the Shareholders in a general meeting as required under Rule 803 of the Catalist Rules.

(b) **Placing Price**

The final Placing Price in GBP will be determined and agreed between the Company and the Broker closer to the date of the launch of the Placing, and shall in any case be not lower than S\$0.20 (or approximately £0.1165) per Share to an indicative maximum amount of S\$0.50 (or approximately £0.2913) per Share.

In the event of strong demand for the Placing, the Company and Broker may determine the Placing Price to be higher than S\$0.50 (or approximately £0.2913). If, for any reason, the Company and the Broker are unable to reach an agreement on the Placing Price, the AIM Admission and the Placing will not proceed and will lapse. In determining the Placing Price, the Company, the Nominated Adviser and the Broker will take into consideration factors such as the demand for the New Shares and the prevailing market price of the Shares on the SGX-ST.

The Company will require certain flexibility in determining the Placing Price in order to successfully complete the Placing, subject to compliance with the relevant requirements of the Catalist Rules.

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

The Placing Price will be determined by the Company with the advice and guidance of the Broker through a book-building process after taking into consideration, *inter alia*, the demand for the Placing and the prevailing market price of the Shares closer to the date of launch of the Placing.

The exact Placing Price and the actual number of New Shares to be issued are subject to changes and cannot be ascertained at this juncture. Based on the proposed structure of the Placing as at the Latest Practicable Date as set out in this Circular, the New Shares may comprise up to approximately 33.5% of the Existing Issued Share Capital and 25.1% of the Enlarged Issued Share Capital assuming a minimum Placing Price of S\$0.20 (or approximately £0.1165).

The Company will determine the exact Placing structure and details of the Placing (including the actual number of New Shares to be issued and the Placing Price) closer to the launch of the Placing, having regard to, *inter alia*, the demand for the Placing, the prevailing market price of the Shares on the SGX-ST and overall market sentiment.

The Company will announce the exact Placing structure and details of the Placing (including the actual number of New Shares to be issued and the Placing Price) and the completion of the Placing, as soon as possible after the information is available.

(c) **New Shares**

For illustration purposes only, assuming the maximum number of 130,000,000 New Shares are allotted and issued, the Existing Issued Share Capital will increase from 387,698,275 Shares to 517,698,275 Shares, being the Enlarged Issued Share Capital, immediately upon Completion. The New Shares represent approximately 33.5% of the Existing Issued Share Capital, and approximately 25.1% of the Enlarged Issued Share Capital. The Company does not have any treasury shares or subsidiary holdings as at the Latest Practicable Date.

The New Shares will be issued to the end-placees free from all claims, pledges, mortgages, charges, liens and encumbrances and shall rank in all respects *pari passu* with the then existing issued Shares at the time of the issue except that the New Shares will not rank for any dividends, rights, allotments or other distributions the record date for which falls on or before the date of the issue of the New Shares.

Save for the Acer Placees, Mr. Johnny Jan and Mr. Oliver Yen, it is not intended that the New Shares will be placed to any person who is a Director or Substantial Shareholder or any other person in the categories set out in Rule 812(1) of the Catalist Rules unless specific Shareholders' approval has been obtained in respect of the placement of the New Shares to such persons and the relevant restricted parties (who are also Shareholders) must abstain from voting on the resolution approving such a placement. Specific Shareholders' approval for the placements of the New Shares to the Acer Placees, Mr. Johnny Jan and Mr. Oliver Yen is being sought under Ordinary Resolution 4, Ordinary Resolution 2 and Ordinary Resolution 3, respectively.

The allotment and issuance of the New Shares will not result in the transfer of a Controlling Interest which would require specific Shareholders' approval pursuant to Rule 803 of the Catalist Rules. The number of New Shares to be placed to any end-placee is not expected to result in any end-placee (who are not already themselves Substantial Shareholders) becoming a Substantial Shareholder. In the event that any end-placee becomes a Substantial Shareholder as a result of the Placing, a further

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

announcement will be released in accordance with the Catalist Rules. There are no share borrowing arrangements entered into for the purposes of the Placing.

(d) **Nominated Adviser**

The Company has appointed Strand Hanson Limited as its Nominated Adviser for the purposes of the AIM Admission and ongoing admission of the Shares to trading on AIM.

Strand Hanson Limited is a client-focused corporate finance house that has a strong track record on advising growing companies, particularly those with international (non-UK) operations looking to access the London Stock Exchange's capital markets. The Company appointed Strand Hanson Limited following a series of pitches to the Company by various potential nominated advisors.

In order to be eligible for the admission of shares to trading on AIM, an AIM applicant must appoint and retain a nominated adviser who will be responsible to the London Stock Exchange for assessing the appropriateness of the AIM applicant for AIM and advising and guiding the AIM applicant on its responsibilities under the AIM Rules both in respect of its application for admission of its shares to trading on AIM and its continuing obligations on an ongoing basis post-listing.

The Nominated Adviser is entitled to, *inter alia*, the following commissions and fees from the Company in respect of the proposed AIM Admission process:

- (i) a cash fee amounting to a total of £350,000, of which £125,000 has been paid. The balance amount of £225,000 is payable as follows: (A) up to a further £100,000 is payable on the achievement of certain milestones; and (B) the balance of any amounts not paid is payable on the completion of the AIM Admission; and

For the avoidance of doubt, the Warrant and the Shares arising therefrom shall be issued pursuant to the general mandate approved by the Shareholders at the annual general meeting held on 30 April 2024 (the "**General Mandate**").

The above fees are exclusive of UK VAT and certain third-party costs which the Company is required to reimburse to the Nominated Adviser.

(e) **Broker**

The Company has appointed SP Angel Corporate Finance LLP as the Broker to the Placing. The Broker is entitled to, *inter alia*, the following commissions and fees from the Company in respect of the proposed AIM Admission process:

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

introduced by the Broker pursuant to the Placing, at an exercise price equal to the Placing Price, pursuant to the broker agreement to be entered into between the Broker and the Company, including any variations thereto from time to time. For the avoidance of doubt, the Warrants and Shares arising therefrom shall be issued pursuant to the General Mandate.

Commission(s) payable by the Company to the Broker for the Placing may be shared with end-placées of the Placing. However, this remains subject to ongoing negotiations between the Company and the Placing Agent and will be set out in the terms of the Placing Agreement to be entered into. The Company will inform Shareholders of any updates in this regard in compliance with the Catalist Rules via announcements on SGXNet in due course.

The above fees are exclusive of UK VAT and certain third-party costs which the Company is required to reimburse to the Broker.

2.6 Specific Shareholders' Approval for the Issuance of the New Shares

The Placing is subject to specific Shareholders' approval under Article 12(1) of the Existing M&AA and the relevant Catalist Rules.

(a) **Article 12(1) of the Existing M&AA and Catalist Rule 805(1)**

Under Article 12(1) of the Existing M&AA and Catalist Rule 805(1), an issuer must obtain prior approval of shareholders in general meeting for the issue of shares, convertible securities or the grant of options carrying rights to subscribe for shares of the issuer except where a general mandate for such issue has been previously obtained from shareholders in a general meeting. The Company will not be relying on the General Mandate. The Company will instead be seeking specific Shareholder's approval in relation to the allotment and issuance of the New Shares at the EGM. Shareholders, by approving the Placing at the EGM to be convened, would be considered to have waived their rights of first refusal under Article 12(2) of the Existing M&AA.

(b) **Catalist Rule 811**

Rule 811(1) of the Catalist Rules provides that an issue of shares must not be priced at more than 10% discount to the VWAP for trades done on the SGX-ST for the full Market Day on which the placement or subscription agreement is signed, unless specific Shareholders' approval is obtained for the issue of shares pursuant to Rule 811(3) of the Catalist Rules. If trading in the issuer's shares is not available for a full Market Day, the VWAP must be based on the trades done on the preceding Market Day up to the time the placement agreement is signed. However, as specific Shareholder approval is being obtained at the EGM for the issue of shares, Rule 811(1) of the Catalist Rules is not applicable.

While the Placing Price shall not be lower than the minimum amount of S\$0.20 (or approximately £0.1165) and shall be up to an indicative maximum amount of S\$0.50 (or approximately £0.2913) per New Share as disclosed in Section 2.3(b) above, the final Placing Price will be determined by the Company with the advice and guidance of the Broker through a book-building process after taking into consideration, *inter alia*, the demand for the Placing and the prevailing market price of the Shares closer to the date of launch of the Placing. Accordingly, it may be possible that the final Placing Price determined via the book-building process and which is in any case not lower than the

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

minimum amount of S\$0.20 (or approximately £0.1165) will be at a discount of more than 10% to the VWAP for trades done on the SGX-ST for the full Market Day on which the placement or subscription agreement is signed. Accordingly, specific Shareholders' approval is being sought for the Placing in accordance with Rule 811(3) of the Catalyst Rules.

The Company will inform Shareholders of any updates in this regard in compliance with the Catalyst Rules via announcements on SGXNet in due course.

(c) **Catalist Rule 812**

The Acer Placees, Mr. Johnny Jan (being the Company's Executive Chairman and CEO) and Mr. Oliver Yen (being the Company's Chief Financial Officer, who is expected to be appointed as a Director of the Company in connection with the AIM Admission and it is envisaged that he will be appointed by the time of the issuance of the New Shares pursuant to the Placing) fall within the restricted list of persons as set out in Rule 812(1) of the Catalyst Rules. In accordance with Rule 812(2) of the Catalyst Rules, specific approval from Shareholders is required for the allotment and issue of any New Shares to any of the Acer Placees, Mr. Johnny Jan and Mr. Oliver Yen pursuant to the Placing. In particular:

- (i) The Acer Placees and its associates must abstain from voting on the resolutions approving the Placing and the allotment of New Shares to the Acer Placees;
- (ii) Mr. Johnny Jan and his associates must abstain from voting on the resolutions approving the Placing and the allotment of New Shares to Mr. Johnny Jan; and
- (iii) Mr. Oliver Yen and his associates must abstain from voting on the resolutions approving the Placing and the allotment of New Shares to Mr. Oliver Yen.

2.7 Submission for the AIM Admission and Additional Listing Application

An application will be made to the London Stock Exchange for the Shares to be admitted to trading on AIM. Subject to, *inter alia*, approval by the London Stock Exchange and the completion of the Placing, it is expected that admission of the Company to trade its Shares on AIM will take place, and that dealings in the Shares on AIM will commence, before 31 December 2024.

The Company will, through its Sponsor, be making an application to the SGX-ST for the listing and quotation of the New Shares on the Catalyst. The Company will make the necessary announcements in due course upon obtaining the listing and quotation notice from the SGX-ST (the "**Listing and Quotation Notice**").

2.8 Statements of the Board in relation to the Placing

In accordance with Rule 810(1)(c) of the Catalyst Rules, the Directors are of the opinion that, as of the Latest Practicable Date, after taking into consideration:

- (a) the present bank facilities available to the Group, the working capital available to the Group is sufficient to meet its present requirements; and
- (b) the present bank facilities available to the Group and the Placing Net Proceeds, the working capital available to the Group is sufficient to meet its present requirements.

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

Notwithstanding the sufficiency of the Group's present working capital, the Company has decided to undertake the Placing to strengthen its financial position and expand the Group's capital base in order to meet its anticipated general working capital requirements and business expansion, including corporate actions such as secondary or dual listings of the Company, potential fundraising exercises, pursuing strategic acquisitions, alliances and joint ventures to grow the Group's market share and broaden the Group's customer base. Further details on the rationale for the Placing are set out in Section 2.9 of this Circular.

2.9 Rationale for, and benefits of, the Placing and the AIM Admission

The Company proposes to allot and issue up to 130,000,000 New Shares in connection with the Placing. The maximum amount of gross proceeds that the Company intends to raise from the Placing is S\$26.0 million, which is approximately £15.15 million. The illustrative financial effects of the Placing are set out in Section 5 of this Circular.

The Board believes that the AIM Admission and the Placing will help strengthen the Group's financial position and expand the capital base of the Group, which will in turn increase the resources available to the Company for, *inter alia*, the following purposes:

- (a) To continue actively pursuing strategic acquisitions, alliances and joint ventures in Asia and Europe to grow the Group's market share and increase operational capacity:
 - (i) Since the listing of the Company on the Catalist, the Company had completed the acquisition of On Point Creative Co., Ltd., a Taiwan company mainly engaged in the provision of art outsourcing services, in April 2024, as well as successfully expanded its operations in South-East Asia following the completion of the acquisition of an art outsourcing business and related assets from Pixelline Production Sdn. Bhd., an art asset production company based in Malaysia, in June 2024.
 - (ii) The Group plans to adopt an active approach in pursuing strategic acquisitions of art studios, which will enable the Group to continue expanding its operational capacity to meet the growing demand for high-quality art services in the gaming industry that will further drive the Group's growth and solidify its position as one of the leading art outsourcing service providers globally.
- (b) To establish a stronger presence and broaden the Group's customer base in the North America and European markets, including (i) increasing the Group's marketing and business development efforts; (ii) establishing a UK-based regional hub; and (iii) pursuing acquisitions of smaller studios in this region:

The Group recognises significant opportunities in the North America and European gaming markets, and the importance of expanding its marketing and business development efforts by establishing a presence in countries in these regions such as the UK, Canada and the United States of America (including by way of potential acquisitions of smaller studios) to build a closer relationship with local game developers and publishers. 4. THE PROPOSED ADOPTION OF NEW M&AA

In connection with the proposed AIM Admission, the Company is proposing amendments to the Existing M&AA to incorporate certain provisions which are required pursuant to the AIM Rules and are considered appropriate for a company whose shares are admitted for trading on AIM. The proposed amendments to the Existing M&AA are made to the extent that they do not contravene the applicable laws and regulations of Singapore and the Catalist Rules.

The proposed amendments to the Existing M&AA are made pursuant to the provisions under the AIM Rules, which prescribe various mandatory requirements to the articles of association of AIM issuers and also include consequential changes to reflect the fact that the Shares will be listed on AIM as well as Catalist. The material proposed amendments made are as follows:

(a) Pre-emptive Rights in respect of Issuance of Shares

Article 12(2) of the Existing M&AA provides that subject to any direction to the contrary that may be given by the Company in general meeting or except as permitted under the rules or regulations of a Designated Stock Exchange (as defined in the Existing M&AA), all new shares shall before issue be offered to such persons who, as at the date of the offer, are entitled to receive notices from the Company of general meetings, in proportion, as far as the circumstances admit, to the amount of the existing shares to which they are entitled.

Articles 12(3) and 12(4) of the New M&AA set out certain exceptions permitted under the rules or regulations of a Designated Stock Exchange referred to in Article 12(2) of the New M&AA. The exception under Article 12(3) is in relation to the grant and issuance of options by Directors pursuant to any employees' share option scheme(s) to be adopted by the Directors that might or would require Equity Securities (as defined in the New M&AA) to be allotted and issued, including but not limited to the creation and issue of (as well as adjustments to) options convertible into shares. The exception under Article 12(4) is in relation to a situation where Directors are generally authorised to allot Equity Securities after having obtained the prior approval of the Company in general meeting by way of an Ordinary Resolution (as defined in the New M&AA), the Company may resolve in a general meeting give to the Directors a general authority, either unconditionally or subject to such conditions as may be specified in the resolution, to allot and issue Equity Securities in the capital of the Company whether by way of rights, bonus, warrants or otherwise; and/or make or grant offers, agreements or options that might or would require Equity Securities to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into Shares as if Article 12(2) did not apply to the allotment. In particular, Article 12(4)(a) provides that the additional resolution required for the purpose of Article 12(4) shall be an Ordinary Resolution (as defined in the New M&AA), save that, for so long as the Shares are listed on AIM, where the proposed

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

allotment and issue of Equity Securities is wholly for cash, the additional resolution required for the purpose of Article 12(4) shall be a Special Resolution (as defined in the New M&AA).

Unless revoked or varied by the Company in general meeting, otherwise specified in the Special Resolution or Ordinary Resolution (as applicable) or required by any applicable rules or regulations of a Designated Stock Exchange, such authorities to disapply pre-emptive rights shall not continue in force beyond the conclusion of the annual general meeting of the Company next following the passing of the Special Resolution or Ordinary Resolution (as the case may be), or the date by which such annual general meeting of the Company is required by law to be held, or the expiration of such other period as may be prescribed by the Statutes (as defined in the New M&AA) (whichever is the earlier), save that the Directors may before such expiry make any offer or agreement that would or might require Equity Securities in the capital of the Company to be allotted and issued after such expiry and the Directors may allot and issue Equity Securities in the capital of the Company in pursuance of any such Instrument (as defined in the New M&AA), offer or agreement as if the power conferred thereby had not expired.

(b) **Disclosure of Voting Rights**

Currently, a Shareholder who is a Substantial Shareholder is required, under the Securities and Futures Act, to make a notification to the Company within two business days of him becoming aware (i) that he is a Substantial Shareholder, (ii) of a change in percentage level of his interest in the Company (while still remaining as a Substantial Shareholder) or (iii) that he has ceased to be a Substantial Shareholder. Such notice must be given using the notification forms prescribed by the MAS, which are available for download on the MAS' internet website.

The New M&AA incorporates certain provisions of Chapter 5 of the Disclosure Guidance and Transparency Rules ("DTRs") published by the Financial Conduct Authority of the United Kingdom. The AIM Rules require the Company to incorporate such notification requirements in its Articles.

Shareholders should note that the incorporation of certain provisions of Chapter 5 of the DTRs means that as a Shareholder, in addition to the current notification obligations under the Companies Act and the Securities and Futures Act, you must notify the Company of the percentage of voting rights you hold or are deemed to hold through direct or indirect holdings (or a combination of such holdings) if the percentage of those voting rights:

- (i) **reaches, exceeds or falls below 3%, 4%, 5%, 6%, 7%, 8%, 9%, 10% and each 1% threshold thereafter up to 100% as a result of an acquisition or disposal of Shares or financial instruments; or**
- (ii) **reaches, exceeds or falls below an applicable threshold in (i) as a result of events changing the breakdown of voting rights and on the basis of information disclosed by the Company in accordance with the requirements of the DTRs.**

The notification must be made without delay but in any event no later than four trading days after the date on which you:

- (A) **learn of the acquisition, disposal, or of the possibility of exercising voting rights, or on which, having regard to the circumstances, should have**

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

learned of it, regardless of the date on which the acquisition, disposal or possibility of exercising voting rights takes effect; or

- (B) are informed about the event mentioned in (i) or (ii) above. A person will be deemed to have knowledge of the acquisition, disposal or possibility to exercise voting rights no later than two trading days following the transaction in question and where a transaction is conditional upon the approval by public authorities of the transaction or on a future uncertain event the occurrence of which is outside the control of the parties to the agreement, the parties are deemed to have knowledge of the acquisition, disposal or possibility of exercising voting rights only when the relevant approvals are obtained or when the event happens.

Such notification shall include the following information:

- (1) the resulting situation in terms of voting rights and the date on which the relevant threshold was reached or crossed;
- (2) if applicable, the chain of controlled undertakings through which voting rights are effectively held;
- (3) as far as known, the identity of the shareholder, even if that shareholder is not entitled to exercise voting rights and of the person entitled to exercise voting rights on behalf of that shareholder;
- (4) the price, amount and class of shares concerned;
- (5) in the case of a holding of Qualifying Financial Instruments, the following information must also be disclosed:
 - a. for the Qualifying Financial Instruments with an exercise period, an indication of the date or time period where shares will or can be acquired, if applicable;
 - b. the date of maturity or expiration of the Qualifying Financial Instruments;
 - c. the identity of the holder;
 - d. the name of the underlying company;
 - e. the detailed nature of the Qualifying Financial Instruments, including full details of the exposure to shares; and
- (6) any other information required by the Company.

Qualifying Financial Instruments refers to transferable securities and options, futures, swaps, forward rate agreements and any other derivative contracts provided that they result in an entitlement to acquire, on the holder's own initiative alone, under a formal agreement, shares to which voting rights are attached, already issued by the Company.

In addition, the Company will be entitled to require any person whom it believes to be interested in any Shares to confirm (or refute) that interest and in the

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

absence of a response from such person, the Company shall be entitled to take certain actions such as suspending the voting rights in respect of the relevant Shares and, where the relevant Shares represent more than 0.25 per cent. of the then outstanding issued Shares, suspending the rights to receive dividends on those Shares until the relevant information is provided to the Company.

Shareholders who do not comply with the provisions of Chapter 5 of the DTRs which are incorporated in the New M&AA may be ordered to do so on application to the Singapore courts by the Company or any other Shareholder to enforce the provisions of the New M&AA against such Shareholder. In addition, if the Company becomes aware of a breach of these provisions, it may issue a notice requiring the provision of information about the notifiable interest, with a continuing failure to provide the required information leading to the potential suspension of rights attaching to the relevant Shares as set out above.

(c) **Transfer of UK Depository Interests**

The New M&AA gives the Directors the power to implement and/or approve arrangements in relation to the evidencing of title to and transfer of shares in the form of depository interests, instruments and securities. This will enable the Directors to facilitate the electronic settlement of Shares of the Company (represented by depository interests) through CREST, the UK electronic settlement system operated by Euroclear UK & International Limited.

In view of the substantial amendments to the Existing M&AA, it is proposed that the New M&AA be adopted instead of amending the Existing M&AA. Shareholders should note that the above is only a summary of the more material differences between the Existing M&AA and the proposed New M&AA. The New M&AA which is proposed to be adopted is set out in its entirety in **Appendix B** to this Circular, which shows all proposed additions underlined, and all proposed deletions marked with a strikethrough against the Existing M&AA.

The Proposed Adoption of the New M&AA is subject to Shareholders' approval and will be proposed as a special resolution at the EGM. In addition, the New M&AA, if approved by the Shareholders, shall take effect only upon the successful completion of the AIM Admission.

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

7. PROPOSED ADOPTION OF THE NEW IPT GENERAL MANDATE

7.1 Background

The Company had on 8 November 2023 adopted a general mandate for certain recurrent interested person transactions which was made effective pursuant to Rule 920(2) of Chapter 9 of the Catalist Rules by way of the Company's offer document dated 8 November 2023 (the "**IPT General Mandate**"). This has enhanced the ability of the Group to pursue business opportunities which are time-sensitive in nature, without the need to seek specific Shareholders' approval when such transactions arise.

The IPT General Mandate was last renewed at the Company's annual general meeting held on 30 April 2024 and shall, unless revoked or varied by the Company in general meeting, continue in force until the conclusion of the Company's next annual general meeting.

The Company intends to revise and expand its existing IPT General Mandate, subject to the approval of the Shareholders at the forthcoming EGM. The full text of the expanded IPT General Mandate (the "**New IPT General Mandate**"), with the proposed amendments blacklined or in strikethrough, can be found in **Appendix C** to this Circular. In accordance with Rule 920(1)(d) of the Catalist Rules, transactions under the IPT General Mandate are not separately subject to Rules 905 and 906 of the Catalist Rules.

7.2 Proposed Adoption of the New IPT General Mandate

(a) Rationale

Acer Group is one of the world's top information and communications technology groups with a presence in more than 160 countries. The various interested person transactions entered into by the Group with the Mandated Interested Persons have enabled the Group to widen its customer base and utilise the resources of Acer Group to grow the business of the Group. The Company envisages that such transactions are likely to continue in the ordinary course of the Group's business.

The proposed amendments in the New IPT General Mandate are intended to facilitate the entry into the Additional Mandated Transactions (as defined below), provided that they are carried out on normal commercial terms and are not prejudicial to the Company and its minority Shareholders. The Additional Mandated Transactions are expected to be recurrent transactions entered into in the ordinary course of business and necessary for the Group's day-to-day operations in order for the Group to keep up with the evolving market trends. For the avoidance of doubt, any purchase or sale of any assets, undertakings or businesses will not be covered under the Additional Mandated Transactions. In addition, certain proposed amendments in the New IPT General Mandate have also taken into consideration the relevant requirements under the AIM Rules in relation to related party transactions.

Therefore, the New IPT General Mandate and its subsequent renewal on an annual basis would enhance the ability of the Group to pursue business opportunities which are time-sensitive in nature and would eliminate the need to announce and/or convene separate general meetings from time to time to seek Shareholders' approval as and when potential Mandated Transactions with a Mandated Interested Person arise, thereby substantially reducing the administrative time and expenses in convening such meetings on an ad hoc basis, without compromising the corporate objectives and adversely affecting the business opportunities available to the Group and the day-to-day operations of the Group.

(b) **Mandated Interested Persons**

There is no amendment to the existing list of Mandated Interested Persons under the New IPT General Mandate. Please refer to paragraph 1 of **Appendix C** to this Circular for the list of Mandated Interested Persons.

(c) **Additional Mandated Interested Person Transactions**

It is proposed that the following additional category of interested person transactions be included under the New IPT General Mandate (collectively, the "**Additional Mandated Transactions**")

Joint Development on a Project Basis with the Mandated Interested Person(s)

This category covers the joint development of AI, digital animation, visual effects, games, game products and/or any products relating to the principal activities of any of the Group Companies on a project basis with the Mandated Interested Person(s). Such joint projects may involve a combination of monetary and/or non-monetary contribution (such as but not limited to provision of relevant data for the project) on the part of the Mandated Interested Person(s) and monetary and/or non-monetary contribution (such as human resources, software and hardware required and digital art assets) on the part of the Group.

(d) **Guidelines and Review Procedures in relation to the Additional Mandated Interested Person Transactions**

As each of such joint development projects require significant customisation based on the specific needs of the relevant project and in particular, the Acer Group is a global IT company with certain unique technologies and know-how, the Group would not be able to source and request for quotes from third party potential joint development partners in determining whether the terms and conditions of its participation in such projects are on normal commercial terms.

As such, the following methods and procedures shall apply:

- (i) all joint development agreements shall only be entered into after the Group has evaluated and determined that the monetary and non-monetary contribution of the Mandated Interested Person(s) is equitable to or in any case not less than the non-monetary contribution of the Group;
- (ii) given the absence of comparable unrelated third party quotes for comparison as mentioned above, all joint development agreements shall be subject to the review and approval of the Chief Executive Officer or Chief Financial Officer (or in the event our Chief Executive Officer and/or Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s)), an officer of similar or equivalent rank (who must have no interest, direct or indirect in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by the Audit Committee for such Mandated Transaction(s)); and
- (iii) when reviewing the terms of the joint development agreement, the Group will take into consideration the respective monetary and non-monetary contributions of the Mandated Interested Person(s) and the Group, the project timetable, the contribution milestones as well as the ownership of the intellectual property rights arising from the product(s) developed from the project. When estimating the non-monetary contribution of the Mandated

Interested Person(s) or the Group, the Chief Executive Officer or Chief Financial Officer (or in the event our Chief Executive Officer and/or Chief Financial Officer has an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s)), an officer of similar or equivalent rank (who must have no interest, direct or indirect, in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by the Audit Committee for such Mandated Transaction(s)) shall review the budget prepared by the Group and as well as the assumptions and bases to determine the reasonableness of the budget for the project, in particular, the estimated time frame required for the project, the composition of the project team, the hardware required and the man-day rates of the team members of the project (taking into account the Day Rates Factors (as defined in **Appendix C** to this Circular) as well as comparing the man-day rates of the joint development project with man-day rates for staff of similar designation quoted to unrelated third party customers).

(e) **Approval Thresholds**

There is no amendment to the existing approval thresholds applicable to the Mandated Transactions under the New IPT General Mandate. Please refer to paragraph 4(f) of **Appendix C** to this Circular for further information.

(f) **Maximum aggregate value of Mandated Transactions over any 12-month period**

In connection with the Company's proposed listing on the AIM market of the London Stock Exchange, the Company is also proposing to implement a maximum aggregate value for each category of the Mandated Transactions over any 12-month period. Please refer to paragraph 4(g) of **Appendix C** to this Circular for further information.

(g) **Additional Review Procedures for Interested Person Transactions**

There is no amendment to the existing additional review procedures applicable to the interested person transactions currently under the New IPT General Mandate. Please refer to paragraph 4(h) of **Appendix C** to this Circular for further information.

7.3 **Validity Period of the New IPT General Mandate**

If approved by the Shareholders at the forthcoming EGM, the Proposed Adoption of the New IPT General Mandate will take effect from the date of the passing of Ordinary Resolution 5 to be proposed at the upcoming EGM, and will continue to be in force until the next annual general meeting of the Company is held or is required by law to be held, whichever is the earlier, unless revoked or varied by the Company in a general meeting. The Company will seek Shareholders' approval for renewal of the New IPT General Mandate at each subsequent annual general meeting. The renewal of the New IPT General Mandate shall be subject to satisfactory review by the Audit Committee of its continued need and the adequacy of the review procedures for the transactions.

7.4 **Opinion of the IFA**

Xandar Capital Pte. Ltd. has been appointed as the IFA pursuant to Rule 920(1)(b)(v) of the Catalist Rules to opine on whether the methods or procedures set out in paragraph 4 of **Appendix C** to this Circular for determining the transaction prices of the Mandated Transactions, if adhered to, are sufficient to ensure that the Mandated Transactions will be carried out on normal commercial terms, and will not be prejudicial to the interests of the Company and its minority Shareholders.

LETTER TO SHAREHOLDERS FROM THE BOARD OF DIRECTORS OF THE COMPANY

Having regard to the considerations set out in the IFA's letter dated 4 October 2024 (the "**IFA Letter**") and the information available to the IFA as at the Latest Practicable Date, the IFA is of the opinion that the methods and procedures for determining the transaction prices of the Mandated Transaction(s) set out in paragraph 4 of **Appendix C** to this Circular, if adhered to, are sufficient to ensure that the Mandated Transaction(s) will be conducted on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

A copy of the IFA Letter is set out in **Appendix D** to this Circular. Shareholders are advised to read the IFA Letter in its entirety carefully and consider the IFA's opinion in the context of the New IPT General Mandate, before deciding on whether to approve the Proposed Adoption of the New IPT General Mandate.

7.5 Periodic Disclosure

In accordance with the requirements of Chapter 9 of the Catalist Rules, the Company will (i) disclose in its annual report the aggregate value of transactions conducted with Mandated Interested Persons pursuant to the New IPT General Mandate during the financial year (as well as in the annual reports for subsequent financial years that the New IPT General Mandate continues to be in force); and (ii) announce the aggregate value of transactions conducted with Mandated Interested Persons pursuant to the New IPT General Mandate, together with the name and the nature of the relationship with the Mandated Interested Person, for the financial periods that it is required to report on pursuant to Rule 705 of the Catalist Rules within the time required for the announcement of such report. Such disclosures will be made in the form set out in Rule 907 of the Catalist Rules. The Board will also ensure that all disclosures, approvals and other requirements on the Mandated Transactions, including those required by prevailing legislation, the Catalist Rules and relevant accounting standards, are complied with.

7.6 Statement of the Audit Committee

The Audit Committee has reviewed the terms, rationale and benefits, and review procedures of the New IPT General Mandate, and the opinion of the IFA as set out in the IFA Letter, and is of the view that the review procedures set out in the New IPT General Mandate, if adhered to, are sufficient to ensure that the Mandated Transactions will be conducted on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders. However, should the Audit Committee be no longer of this view subsequently, the Company will seek a fresh mandate from Shareholders based on new guidelines and/or review procedures for transactions with the Mandated Interested Persons. Subject to the foregoing, the Audit Committee will review every Mandated Transaction pending the grant of the fresh mandate, which will be in accordance with the requirements of the relevant provisions of Chapter 9 of the Catalist Rules and/or other applicable provisions of the Catalist Rules (as may be amended, modified or supplemented from time to time).

SCHEDULE 1

Listings, Registration, Dealings and Settlement

LISTINGS

The Company currently has a primary listing of its Shares on the Catalist, which it intends to maintain alongside its proposed AIM Admission. An application will be made to the London Stock Exchange for the Shares to be admitted to trading on AIM.

REGISTRATION

The principal register of members is maintained in Singapore by Tricor Barbinder Share Registration Services ("**Tricor**"). Tricor is and will be the principal share registrar and share transfer agent of the Company. In connection with the AIM Admission, it is presently envisaged that certain Shares will be registered under the name of the UK Depositary (as defined below), under a branch register maintained in Jersey.

CERTIFICATES

Certificates for Shares issued by Tricor will be valid for delivery in respect of dealings effected on the SGX-ST. In connection with the AIM Admission, it is presently envisaged that certificates may be issued by the Jersey registrar in relation to Shares under the branch register proposed to be maintained in Jersey.

UK Depositary Interests exist only in uncertificated form and are therefore only available to members of the CREST system or their sponsored members. It is possible to convert holdings of UK Depositary Interests (in uncertificated form) into holdings of Shares (in certificated form) on the principal register of members in Singapore and *vice versa*.

DEALINGS

Dealings in Shares on AIM and SGX-ST will be conducted in Sterling pounds and Singapore dollars respectively. The Shares will be traded on SGX-ST in board lots of 100 Shares each and will be traded on AIM in board lots of 1 Share each.

The brokerage commission in respect of trades of Shares on AIM is freely negotiable.

SETTLEMENT

Settlement of dealings in Singapore

Shares listed and traded on the SGX-ST are trading under the book-entry settlement system of CDP and all dealings in and transactions of Shares through the SGX-ST are effected in accordance with the terms and conditions for the operation of securities accounts with CDP, as amended from time to time.

CDP, a wholly owned subsidiary of the Singapore Exchange Limited, is incorporated under the laws of Singapore and acts as a depository and clearing organisation. The CDP holds securities for its account holders and facilitates the clearance and settlement of securities transactions between account holders through electronic book-entry changes in the securities accounts maintained by such account holders with CDP.

APPENDIX A – FURTHER INFORMATION RELATING TO DUAL LISTING ON AIM

The Company's Shares are registered in the name of CDP or its nominees and held by CDP for and on behalf of persons who maintain, either directly or through depository agents, securities accounts with CDP. Persons named as direct securities account holders and depository agents in the depository register maintained by CDP, rather than CDP itself, will not be treated, under the Cayman Islands Companies Act and the Company's Articles, as the Company's members in respect of the number of Shares credited to their respective securities accounts.

Transactions in Shares under the book-entry settlement system will be reflected by the seller's securities account being debited with the number of Shares sold and the buyer's securities account being credited with the number of Shares acquired. No transfer stamp duty is currently payable for the transfer of the Shares that are settled on a book-entry basis.

The brokerage commission in respect of trades of Shares in Singapore is freely negotiable. A clearing fee in Singapore is payable at the rate of 0.0325% of the transaction value. The clearing fee, instrument of transfer deposit fees and share withdrawal fee are subject to Singapore goods and services tax of 9.0%. Dealings in the Shares will be carried out in Singapore dollars and will be effected for settlement in CDP on a scripless basis. Settlement of trades on a normal "ready" basis on the SGX-ST generally takes place on the third market day following the transaction date, and payment for the securities is generally settled on the following day. CDP holds securities on behalf of investors in securities accounts. An investor may open a direct securities account with CDP or a securities sub-account with a depository agent. A depository agent may be a member company of the SGX-ST, bank, merchant bank or trust company.

Settlement of dealings in the UK and CREST

CREST is a computerised paperless share transfer and settlement system which allows shares to be transferred from one person's CREST account to another without the need to use share certificates or written instruments of transfer. Securities issued by companies incorporated in the Cayman Islands, such as the Company, cannot be held or transferred in the CREST system. However, to enable investors to settle such securities through the CREST system, a depository or custodian can hold the relevant securities and issue dematerialised depository interests ("**UK Depository Interests**") representing the underlying securities which are held on trust for the holders of the UK Depository Interests.

The Company will, prior to the AIM Admission, appoint a depository in the UK, Computershare Investor Services PLC ("**UK Depository**"), so that it is possible for investors to hold and transfer interests in Shares within CREST, pursuant to a depository interest arrangement established by the Company. The Shares will not themselves be admitted to CREST. Instead, the UK Depository will issue UK Depository Interests in respect of the underlying Shares. The UK Depository Interests are independent securities constituted under English law which may be held or transferred through the CREST system. The UK Depository Interests will have the same international security identification number as the underlying Shares and will not require a separate listing on AIM. UK Depository Interests are created and issued pursuant to a deed poll entered into by the UK Depository, which governs the relationship between the UK Depository and the holders of the UK Depository Interests.

Each UK Depository Interest is treated as equivalent to one Share for the purposes of determining eligibility for dividends, issues of bonus shares and voting entitlements. In respect of dividends, the Company puts the UK Depository in funds for the payment and the UK Depository transfers the money to the holders of the UK Depository Interests. In respect of any bonus shares, the Company will allot any bonus shares to the UK Depository and the UK Depository will issue such bonus shares to the holder of the UK Depository Interests (or as such holder may have directed) in registered form. In respect of voting, the UK Depository casts votes in respect of the Shares as directed by the holders of the UK Depository Interests which the relevant Shares represent.

The UK Depository Interests are not themselves admitted to trading on AIM or any other exchange. They simply represent a mechanism by which trades in the Shares can be settled in CREST. Once

APPENDIX A – FURTHER INFORMATION RELATING TO DUAL LISTING ON AIM

settled, the holders can either continue to hold their interests in Shares in the form of UK Depositary Interests (in CREST) or withdraw their interests from CREST (at which point the underlying Shares will be transferred to them).

The UK Depositary Interests cannot be held in certificated form outside the CREST system.

The brokerage commission in respect of trades of Shares on AIM is freely negotiable. A clearing fee at the flat rate of GBP 0.60 is payable to CREST, together with any other CREST-associated fees. In addition, a charge at the flat rate of GBP0.50 is payable to SYNTEGRA (a wholly owned subsidiary of BT Group) being the message fee for the communication between the stockbroker and CREST. These fees are exempt from UK VAT and are part of the brokerage commission payable.

FOREIGN EXCHANGE RISK

Investors in Singapore who trade in the Shares on the SGX-ST should note that their trades will be effected in Singapore dollars. Investors in the UK who trade in the Shares on London Stock Exchange should note that their trades will be effected in Sterling pounds. Accordingly, investors should be aware of the foreign exchange risks associated with such trading.

DIVIDENDS

Dividends are declared in Singapore dollars and paid to CDP on behalf of persons who maintain, either directly or through depository agents, securities accounts with CDP. The UK Depositary will receive the payment of dividends in Sterling pounds and distribute it onwards to persons who hold UK Depositary Interests in CREST.

TRANSFER OF SHARES

All duties, fees and expenses specified herein are subject to changes from time to time.

From SGX-ST to AIM

If an investor whose Shares are traded on the SGX-ST wishes to trade his Shares on AIM, he may do so by submitting a Request for Withdrawal of Securities form and Singapore Transfer Deed and delivering the duly completed and signed original forms to CDP and a UK Depositary Interest issuance request form to the Singapore Share Registrar in respect of the number of Shares to be repositioned for trading on AIM. Tricor will remove the securities from the principal register of members maintained in Singapore and liaise with the UK Depositary for the Shares to be recorded on the Jersey branch share register in the name of a custodian who will hold Shares on behalf of the UK Depositary (the "**UK Custodian**"). The repositioning and transfer of Shares to the UK Custodian will result in the creation and issue of UK Depositary Interests (in an amount equal to the number of Shares specified to be transferred in the UK Depositary Interest issuance request form) to the investor's nominated CREST account quoted in such instruction.

It is envisaged that the process as described above will generally require up to ten days to complete.

From AIM to SGX-ST

If a holder of UK Depositary Interests wishes to trade the underlying Shares represented by the UK Depositary Interests on the SGX-ST, he may do so by completing and delivering a cross-border repositioning form to the UK Depositary and completing a CREST stock withdrawal, giving the effect of the UK Depositary cancelling the relevant UK Depositary Interests and transferring the underlying Shares held by the UK Depositary to the instructing holder on the Jersey branch share register.

APPENDIX A – FURTHER INFORMATION RELATING TO DUAL LISTING ON AIM

Subsequently, the UK Depositary will arrange for the Shares to be removed from the Jersey branch share register and liaise with Tricor for such Shares to be recorded on the Singapore principal register of members and, as may be requested, delivered into CDP to the securities account nominated by the holder in the cross-border repositioning form.

It is envisaged that the process as described above will generally require up to six days to complete. CREST is a voluntary system and investors will therefore be free to settle a transaction within the CREST system in the form of UK Depositary Interests or, in the form of Shares in a securities account with CDP.

Investors wishing to move between the settlement systems will be able to obtain further details on how this can be achieved by contacting the UK Depositary, Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol, BS99 6ZZ, United Kingdom or by telephone on +44 (0) 370 702 0003.

Stamp Duty Reserve Tax ("SDRT")

The Company may be eligible for exemption from SDRT subject to meeting the following criteria set out by His Majesty's Revenue and Customs ("**HMRC**"):

1. the Company does not maintain a share register in the UK;
2. the Company is listed on an exchange recognised by HMRC for the purposes of exemption; and
3. the management of the Company is not conducted in the UK.

The Company will require a formal opinion from UK tax advisors to confirm its SDRT status.

Cayman Islands Stamp Duty

No stamp duty is currently payable in the Cayman Islands on transfers of shares of Cayman Islands companies except those which hold interests in land in the Cayman Islands.

Singapore Stamp Duty

There is no stamp duty payable on the subscription, allotment or holding of the Shares.

Stamp duty is payable on the executed instrument of transfer for the transfer of the Shares at 0.2% on the consideration for, or market value of the Shares, whichever is higher.

The purchaser is liable for stamp duty, unless there is an agreement to the contrary.

No stamp duty is payable if no dutiable document relating to the share transfer is executed or if the instrument of transfer is executed outside Singapore. However, stamp duty may be payable if the dutiable document which is executed outside Singapore is subsequently received in Singapore.

In the case of scripless shares which are book-entry securities defined under Section 81SF of the SFA, where the transfer of which does not require instruments of transfer to be executed, stamp duty which is ordinarily payable on the contract or agreement entered into for the transfer is remitted.

Pursuant to recent amendments to the Stamp Duties Act 1929 of Singapore, stamp duty is payable on certain electronic instruments that effect a transfer of interest in shares, where such instruments are regarded or deemed to be executed in Singapore, or executed outside Singapore and received in Singapore. In this regard, an electronic instrument that is executed outside Singapore is received in Singapore if (a) it is retrieved or accessed by a person in Singapore; (b) an electronic copy of it is stored

~~(4) The Board may issue warrants conferring the right upon the holders thereof to subscribe~~

~~for any class of shares or securities in the capital of the Company on such terms as it may from time to time determine, provided that such issue must be specifically approved by the Company in general meeting if required by the rules or regulations of the Designated Stock Exchange.~~

(6) Except so far as otherwise provided by the conditions of issue or by these Articles, all new Equity Securities shall be subject to the provisions of the Statutes and of these Articles with reference to allotment, payment of calls, lien, transfer, transmission, forfeiture and otherwise.

13. The Company may in connection with the issue of any shares exercise all powers of paying commission and brokerage conferred or permitted by the Act. Subject to the Act, the commission may be satisfied by the payment of cash or by the allotment of fully or partly paid shares or partly in one and partly in the other.

14. Except as required by law, no person shall be recognised by the Company as holding any share upon any trust and the Company shall not be bound by or required in any way to recognise (even when having notice thereof) any equitable, contingent, future or partial interest in any share or any fractional part of a share or (except only as otherwise provided by these Articles or by law) any other rights in respect of any share except an absolute right to the entirety thereof in the registered holder.

15. (1) Subject to the terms and conditions of any application for shares, the Board shall allot shares applied for within ten (10) market days of the closing date of any such application (or such other period as may be approved by ~~the~~ Designated Stock Exchange).

(2) Subject to the Act and these Articles, the Board may at any time after the allotment of shares but before any person has been entered in the Register as the holder, recognise a renunciation thereof by the allottee in favour of some other person and may accord to any allottee of a share a right to effect such renunciation upon and subject to such terms and conditions as the Board considers fit to impose.

SHARE CERTIFICATES

16. Every share certificate shall be issued under the Seal or a facsimile thereof and shall specify the number and class and distinguishing numbers (where required by the Act) of the shares to which it relates, and the amount paid up thereon and may otherwise be in such form as the Directors may from time to time determine. No certificate shall be issued representing shares of more than one (1) class. The Board may by resolution determine, either generally or in any particular case or cases, that any signatures on any such certificates (or certificates in respect of other securities) need not be autographic but may be affixed to such certificates by some mechanical means or may be printed thereon.

17. (1) In the case of a share held jointly by several persons, the Company shall not be bound to issue more than one (1) certificate therefor and delivery of a certificate to one (1) of several joint holders shall be sufficient delivery to all such holders.

(2) Where a share stands in the names of two (2) or more persons, the person first named in the Register shall as regards service of notices and, subject to the provisions of these Articles, all or any other matters connected with the Company, except the transfer of the shares, be deemed the sole holder thereof.

(3) Where a share stands in the names of two (2) or more persons, any request relating to cancellation or issue of share certificates may be made by any one (1) of the registered joint holders.

18. (1) Every person whose name is entered as a Member in the Register shall be entitled, without payment, to receive one (1) certificate for all shares of any one (1) class or several certificates each for one (1) or more of such shares of such class upon payment for every certificate after the first of such fee as is provided in Article 18(2).

(2) The fee payable in respect of share certificates referred to in this Article, and Article 19 and Article 20 shall be an amount not exceeding two Singapore dollars (S\$2.00) per certificate or such other maximum amount as the Primary Designated Stock Exchange may from time to time determine provided that the Board may at any time waive such fee or determine a lower amount for such fee.

19. (1) Upon every transfer of shares, the certificate held by the transferor shall be given up to be cancelled, and shall forthwith be cancelled accordingly, and a new certificate shall be issued to the transferee in respect of the shares transferred to him.

(2) Where a Member transfers part only of the shares comprised in a certificate or where a Member requires the Company to cancel any certificate or certificates and issue new certificates for the purpose of subdividing his holding in a different manner, the old certificate or certificates shall be cancelled and a new certificate or certificates for the balance of such shares issued in lieu thereof and such Member shall pay all or any part of the stamp duty payable (if any) on each share certificate prior to the delivery thereof which the Board in its absolute discretion may require and such fee as is provided in Article 18(2).

20. Subject to the payment of all or any part of the stamp duty payable (if any) on each share certificate prior to the delivery thereof, which the Board in its absolute discretion may require, every person whose name is entered as a Member in the Register shall be entitled to receive within ten (10) market days of the date of allotment (or such other period as may be approved by ~~the~~ Designated Stock Exchange) or within ten (10) market days after the date of lodgement of a registrable transfer (or such other period as may be approved by ~~the~~ Designated Stock Exchange) share certificates in reasonable denominations for the shares so allotted or transferred.

In the case of destruction, loss or theft, a shareholder or person entitled to whom such renewed certificate is given shall also bear the loss and pay to the Company all expenses incidental to the investigations by the Company of the evidence of such destruction or loss.

LIEN

22. The Company shall have a first and paramount lien on all the shares not fully paid up registered in the name of a Member (whether solely or jointly with others) and dividends from time to time declared in respect of such shares. Such lien shall be restricted to unpaid calls and instalments upon the specific shares in respect of which such moneys are due and unpaid, and to such amounts as the Company may be called upon by law to pay in respect of the shares of the Member or deceased Member. The Company's lien on a share shall extend to all dividends or other moneys payable thereon or in respect thereof. The Board may at any time, generally or in any particular case, waive any lien that has arisen or declare any share exempt in whole or in part, from the provisions of this Article.

23. (1) Subject to these Articles, the Company may sell in such manner as the Board determines any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged nor until the expiration of fourteen (14) clear days after a notice in writing, stating and demanding payment of the sum presently payable, or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of the intention to sell in default, has been served on the registered holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy.

(2) To give effect to any such sale, the Directors may authorise some person to transfer the shares sold to the purchaser thereof and the Directors may enter the purchaser's name in the Register as the holder of the shares so transferred ~~and the, and in relation to an uncertificated share may require the~~

operator of any Relevant System to convert the share into certificated form. The purchaser shall not be bound to see to the regularity or validity of the transfer or be affected by any irregularity or invalidity in the proceedings or be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. After his name has been entered in the Register the validity of the sale shall not be impeached by any person and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

24. The net proceeds of the sale shall be received by the Company and applied in or towards payment or discharge of the debt or liability in respect of which the lien exists, so far as the same is presently payable, and any residue shall (subject to a like lien for debts or liabilities not presently payable as existed upon the share prior to the sale) be paid to the person entitled to the share at the time of the sale or to his executors, administrators or assignees or as he may direct.

CALLS ON SHARES

25. Subject to these Articles and to the terms of allotment, the Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium), and each Member shall (subject to being given at least fourteen (14) clear days' Notice specifying the time and place of payment) pay to the Company as required by such notice the amount called on his shares. A call may be extended, postponed or revoked in whole or in part as the Board determines but no Member shall be entitled to any such extension, postponement or revocation except as a matter of grace and favour.

26. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be made payable either in one lump sum or by instalments.

27. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. The joint holders of a share shall be jointly and severally liable to pay all calls and instalments due in respect thereof or other moneys due in respect thereof.

28. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the amount unpaid from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board may determine, but the Board may in its absolute discretion waive payment of such interest wholly or in part.

29. No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.

30. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one (1) of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

31. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call duly made and notified.

32. The Board may on the issue of shares differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.

33. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one (1) month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced.

FORFEITURE OF SHARES

34. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:

- (a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and
- (b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.

(2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.

35. When any share has been forfeited, notice of the forfeiture shall be served upon the person who

was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.

36. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture will include surrender.

37. A forfeited share shall be the property of the Company and may be sold, re-allotted or otherwise disposed of to such person, upon such terms and in such manner as the Board determines, and at any time before a sale, re-allotment or disposition the forfeiture may be cancelled by the Board on such terms as the Board determines.

37A. If any shares are forfeited and sold, any residue after the satisfaction of the unpaid calls and any accrued interests and expenses shall be paid to the person whose shares have been forfeited, or his executors, administrators or assignees or as he directs.

38. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their discretion so require) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

39. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.

40. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, permit the shares forfeited to be

bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.

41. (1) The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.

(2) The forfeiture or surrender of a share shall involve the extinction at the time of forfeiture or surrender of all interest in and all claims and demands against the Company in respect of the share, and all other rights and liabilities incidental to the share as between the Member whose share is forfeited or surrendered and the Company, except only such of those rights and liabilities as are by these Articles expressly saved, or as are by the Act given or imposed in the case of past Members.

(3) A forfeiture of shares shall include all dividends in respect of the shares not actually paid before the forfeiture notwithstanding that they shall have been declared.

42. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

REGISTER OF MEMBERS

43. (1) The Company shall keep in one (1) or more books a Register and shall enter therein particulars required by the Act.

(2) The Register shall be kept at the Office or at any other place within or without the Cayman Islands. The Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.

(3) Any register maintained by the Company in respect of shares which are traded or listed on an approved stock exchange may be kept by recording the particulars set out in Article 43(1) in a form otherwise than legible if such recording otherwise complies with the laws applicable to and the rules and regulations of the relevant approved stock exchange.

44. The Register shall be open to inspection (i) at the Office or such other place at which the Register is kept in accordance with the Act, at the Registration Office, or at the office of a share transfer agent of the Company, for at least two (2) hours on every Business Day, and (ii) by Members without charge or by any other person, upon a maximum payment of five United States Dollars (US\$5.00) (or such lesser sum specified by the Board) or, if appropriate, upon a maximum payment of ten Singapore dollars (S\$10.00) (or such lesser sum specified by the Board). The Register including any overseas or local or other branch register of Members may, after notice has been given in accordance with applicable requirements of any Designated Stock Exchange or by any electronic means as may be accepted by thesuch Designated

Stock Exchange, be closed at such times or for such periods in each year as the Board may determine and either generally or in respect of any class of shares.

RECORD DATES

45. Notwithstanding any other provision of these Articles the Company or the Directors may fix any date as the record date for:

- (a) determining the Members entitled to receive any dividend, distribution, allotment or issue; and
- (b) determining the Members entitled to receive notice of and to vote at any general meeting of the Company.

TRANSFER OF SHARES

46. (1) Subject to these Articles, any Member may transfer all or any of his shares held in uncertificated or certificated form by an instrument of transfer in the form acceptable to the Board provided always that the Company shall accept for registration an instrument of transfer in a form approved by ~~the~~ Designated Stock Exchange.

~~(2) Subject to these Articles, the Board may accept such evidence of title of the transfer of uncertificated shares as they shall in their discretion determine. The Directors may permit shares (or interests in shares) held in uncertificated form (including in the form of depositary interests or similar interests, instruments or Securities) to be transferred by means of a Relevant System of holding and transferring shares (or interests in shares) in uncertificated form in such manner as the Directors may determine from time to time. The Directors shall, subject always to the Act and any other applicable laws and regulations and the facilities and requirements of any Relevant System concerned and these Articles, have power to implement and/or approve any arrangements they may, in their discretion, think fit in relation to the evidencing of title to and transfer of interests in shares in the Company in uncertificated form (including in the form of depositary interests or similar interests, instruments or Securities), which may include arrangements restricting transfers, and to the extent such arrangements are so implemented, no provision of these Articles shall apply or have effect to the extent that it is in any respect inconsistent (as determined by the Directors in their discretion) with the holding or transfer thereof or the shares in the Company represented thereby. Subject always to the Act and any other applicable laws and regulations and the facilities and requirements of any Relevant System concerned and these Articles, the Board may from time to time take such actions and do such things as they may, in their discretion, think fit in relation to the operation of any such arrangements, including, without limitation, treating holders of any depositary interests or similar interests relating to shares as if they were the holders directly thereof for the purposes of compliance with any obligations imposed by these Articles.~~

(3) Notwithstanding the provisions of Article 46(1) above, for so long as any shares are listed on ~~the~~ Designated Stock Exchange, titles to such listed shares may be evidenced and transferred in

accordance with the laws applicable to and the rules and regulations of the relevant Designated Stock Exchange that are or shall be applicable to such listed shares. The Register of the Company in respect of its listed shares (whether the Register or a branch register) may be kept by recording the particulars required by Section 40 of the Act in a form otherwise than legible if such recording otherwise complies with the laws applicable to and the rules and regulations of the relevant Designated Stock Exchange that are or shall be applicable to such listed shares.

47. The instrument of transfer of any share shall be executed by or on behalf of both the transferor and the transferee (and be witnessed, where necessary), provided that an instrument of transfer in respect of which the transferee is the Depository shall be effective although not signed (or witnessed where necessary) by or on behalf of the Depository and provided further that when a corporation executes an instrument of transfer under seal, the affixation and attestation of the corporation's seal may be accepted as compliance with the requirements of this Article. The Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.

48. (1) The Board may, in its absolute discretion and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share (not being a fully paid share) on which the Company has a lien or, except in the case of a transfer to executors, administrators or trustees of the estate of a deceased Member, a transfer of any share to more than three (3) joint holders provided that where such shares are listed or traded on a Designated Stock Exchange, such discretion may not be exercised in such a way as to prevent dealings in the shares of that class taking place on an open and proper basis.

(2) No transfer shall be made to an infant, a person who is bankrupt or to a person of unsound mind or under other legal disability.

(3) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.

(4) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and

other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place at which the Register is kept in accordance with the Act.

(5) Save as provided in these Articles, there shall be no restriction on the transfer of fully paid shares (except where required by law, or the rules or regulations of ~~the~~ Designated Stock Exchange).

(6) Notwithstanding anything to the contrary in these Articles, shares which are traded or listed on ~~the~~ Designated Stock Exchange may be evidenced and transferred in accordance with the laws applicable to and the rules and regulations of such exchange.

49. Without limiting the generality of the last preceding Article, the Board may decline to recognise any instrument of transfer unless:

- (a) the instrument of transfer is in respect of only one (1) class of share;
- (b) the instrument of transfer is lodged at the Office or such other place at which the Register is kept in accordance with the Act or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and
- (c) if applicable, the instrument of transfer is duly and properly stamped.

50. If the Board refuses to register a transfer of any share, it shall, within one (1) month after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.

51. The registration of transfers of shares or of any class of shares may, after notice has been given in accordance with applicable requirements of ~~the~~ Designated Stock Exchange or by electronic means or other means in such manner as may be accepted by ~~thesuch~~ Designated Stock Exchange, be suspended at such times and for such periods as the Board may determine.

TRANSMISSION OF SHARES

52. In the case of the death of a Member, the survivor or survivors where the deceased Member was a joint holder, and the legal personal representatives of the deceased Member where the deceased Member was a sole holder, shall be the only persons recognised by the Company as having any title to the deceased Member's interest in the shares. Nothing herein shall release the estate of a deceased joint holder from any liability in respect of any share which had been jointly held by such deceased Member with other persons. Subject to the provisions of the Act, for the purpose of this Article, legal personal representative means the executor or administrator of a deceased Member or such other person as the

Board may, in its absolute discretion, decide as being properly authorised to deal with the shares of a deceased Member. Where two (2) or more persons are registered as joint holders of a share or shares, then in the event of the death of any joint holder or holders the remaining joint holder or holders shall be absolutely entitled to the said share or shares and the Company shall recognise no claim in respect of the estate of any joint holder except in the case of the last survivor of such joint holders.

53. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Articles relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.

54. A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 74(2) being met, such a person may vote at meetings.

GENERAL MEETINGS

55. The Company ~~may~~ shall in each year hold ~~a general meeting as its~~ an annual general meeting ~~in Singapore (or in such other place as may be prescribed or permitted by the Designated Stock Exchange)~~ called an extraordinary general meeting. For so long as the shares of the Company are listed on ~~the~~ Designated Stock Exchange, the interval between the close of the Company's financial year and the date of the Company's annual general meeting shall not exceed four (4) months or such other period as may be prescribed or permitted by ~~the~~ Designated Stock Exchange. If within twenty-one (21) days of such deposit the Board fails to proceed to convene such meeting the requisitionists themselves may do so in the same manner, and all reasonable expenses incurred by the requisitionists as a result of the failure of the Board shall be reimbursed to the requisitionists by the Company.

57A. (1) If permitted by the Primary Designated Stock Exchange, any general meeting of the Company (including an annual general meeting, any adjourned meeting or postponed meeting) may be held using virtual meeting technology as may be determined by the Board in its absolute discretion.

(2) If a general meeting is to be held using virtual meeting technology, the notice of the meeting shall include a statement to that effect and details of the virtual meeting technology for attendance and participation by electronic means at the meeting or where such details will be made available by the Company prior to the meeting. The notice shall also specify the principal place of the meeting (the "**Principal Meeting Place**").

(3) The Board may, at its absolute discretion, arrange for persons entitled to attend a general meeting by simultaneous attendance and participation by means of virtual meeting technology at such location or locations ("**Meeting Location(s)**") determined by the Board at its absolute discretion.

(5) The Board and, at any general meeting the chairman of the meeting may from time to time make arrangements for managing participation and/or voting at the Principal Meeting Place and any Meeting Location(s) and/or by means of virtual meeting technology (whether involving the issue of some means of identification, passcode, electronic voting or otherwise) as it (or he) shall in its (or his) absolute discretion consider appropriate, and may from time to time change any such arrangements. Votes

(whether on a show of hands or by way of poll) may be cast by such means, electronic or otherwise, as the Board or the chairman of the meeting may determine.

(6) If it appears to the chairman of a general meeting that the virtual meeting technology made available by the Company for such general meeting, are or have become inadequate, then without prejudice to any other power which the chairman of the meeting may have under the Act, these Articles or at common law, the chairman may, at his/her absolute discretion, without the consent of the meeting, and before or after the meeting has started and irrespective of whether a quorum is present, adjourn the meeting. All business conducted at the meeting up to the time of such adjournment shall be valid. The adjourned meeting may be in any form (including the use of virtual meeting technology) permitted by the Primary Designated Stock Exchange and as the Board may determine.

(7) All persons seeking to attend and participate in a general meeting using virtual meeting technology shall be responsible for maintaining adequate facilities to enable them to do so. There shall appear with reasonable prominence in every such Notice a statement that a Member entitled to attend and vote is entitled to appoint a proxy to attend and to vote instead of him and that such proxy need not be a Member.

(4) The Notice convening an annual general meeting shall specify the meeting as such.

(5) Notice of every general meeting shall be given to all Members other than to such Members as, under the provisions of these Articles or the terms of issue of the shares they hold, are not entitled to receive such notices from the Company, and to all persons entitled to a share in consequence of the death

59. The accidental omission to give Notice of a meeting or (in cases where instruments of proxy are sent out with the Notice) to send such instrument of proxy to, or the non-receipt of such Notice or such instrument of proxy by, any person entitled to receive such Notice shall not invalidate any resolution passed or the proceedings at that meeting.

PROCEEDINGS AT GENERAL MEETINGS

60. (1) Members may participate in any general meeting by means of such telephone, electronic or other virtual meeting technology as to permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such general meeting.

(2) All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting, with the exception of sanctioning dividends, the reading, considering and adopting of the accounts and balance sheet and the reports of the Directors and Auditors and other documents required to be annexed to the balance sheet, the election of Directors and appointment of Auditors and other officers in the place of those retiring, the fixing of the remuneration of the Auditors, and the voting of remuneration or extra remuneration to the Directors. No special business shall be transacted at any general meeting without the consent of all Members entitled to receive Notice of that meeting, unless Notice of such special business has been given in the Notice convening that meeting.

(3) No business, other than the appointment of a chairman of a meeting, shall be transacted at any general meeting unless a quorum of Members is present at the time when the meeting proceeds to business. Except as herein otherwise provided, two (2) Members present at the meeting shall form a quorum, provided that if the Company shall at any time have only one (1) Member, one (1) Member present at the meeting shall form a quorum for the transaction of business at any general meeting of the Company held during such time. For the purposes of this Article, presence of a Member includes a person attending in person or by proxy or by a duly authorised representative of a corporation which is a Member or by means of any virtual meeting technology.

61. If within thirty (30) minutes (or such longer time not exceeding one (1) hour as the chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the

meeting, if convened on the requisition of Members, shall be dissolved. In any other case it shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the Board may determine. If at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting, the meeting shall be dissolved.

62. The chairman of the Board (if one is appointed) shall preside as chairman at every general meeting. If at any meeting the chairman is not present within fifteen (15) minutes after the time appointed for holding the meeting, or is not willing to act as chairman, the Directors present shall choose one (1) of their number to act, or if one (1) Director only is present he shall preside as chairman if willing to act. If no Director is present, or if each of the Directors present declines to take the chair, or if the chairman chosen shall retire from the chair, the Members present in person or by proxy and entitled to vote shall elect one (1) of their number to be chairman.

63. The chairman may, with the consent of any meeting at which a quorum is present (and shall if so directed by the meeting), adjourn the meeting from time to time and from place to place as the meeting shall determine, but no business shall be transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen (14) days or more, at least seven (7) clear days' Notice of the adjourned meeting shall be given specifying the time and place of the adjourned meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid, it shall be unnecessary to give notice of an adjournment or of the business to be transacted at an adjourned meeting.

64. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a Special Resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

65. (1) Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, (including but not limited to Article 175), at any general meeting (i) on a show of hands every Member present in person (or being a corporation, is present by a representative duly authorised under Article 83) or by proxy shall have one (1) vote and the chairman of the meeting shall determine which proxy shall be entitled to vote where a Member (other than the Depository or a relevant intermediary) is represented by two (2) proxies, and (ii) on a poll every Member present in person or by proxy or, in the case of a Member being a corporation, by its duly authorised representative shall have one (1) vote for every fully paid share of which he is the holder or which he represents and in respect of which all calls due to the Company have been paid, but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share.

(2) For so long as the shares of the Company are listed on ~~the~~ Designated Stock Exchange, if required by the listing rules of ~~the~~ Designated Stock Exchange, all resolutions at general meetings shall be voted by poll (unless such requirement is waived by ~~the~~ Designated Stock Exchange).

(3) Subject to Article 65(2), a resolution put to the vote of a meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is demanded:

- (a) by the chairman of such meeting; or
- (b) by at least two (2) Members present in person (or in the case of a Member being a corporation by its duly authorised representative) or by proxy for the time being entitled to vote at the meeting; or
- (c) by a Member or Members present in person (or in the case of a Member being a corporation by its duly authorised representative) or by proxy and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting; or
- (d) by a Member or Members present in person (or in the case of a Member being a corporation by its duly authorised representative) or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right; or
- (e) where the Depository is a Member, by at least two (2) proxies representing the Depository.

A demand by a person as proxy for a Member or in the case of a Member being a corporation by its duly authorised representative shall be deemed to be the same as a demand by the Member.

66. Unless a poll is duly demanded and the demand is not withdrawn, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded for or against the resolution.

67. If a poll is duly demanded, the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.

68. A poll demanded on the election of a chairman, or on a question of adjournment, shall be taken forthwith. A poll demanded on any other question shall be taken in such manner and either forthwith or at such time (being not later than thirty (30) days after the date of the demand) and place as the chairman of the meeting may direct and either at once or after an interval or adjournment or otherwise and the result of the poll shall be deemed to be the resolution of the meeting at which the poll was taken. It shall

not be necessary (unless the chairman otherwise directs) for notice to be given of a poll not taken immediately. For so long as the shares of the Company are listed on ~~the~~ Designated Stock Exchange, if required by the listing rules of ~~the~~ such Designated Stock Exchange, at least one (1) scrutineer shall be appointed and may adjourn the meeting to some place and time fixed by him for the purpose of declaring the result of the poll.

69. The demand for a poll shall not prevent the continuance of a meeting or the transaction of any business other than the question on which the poll has been demanded, and, with the consent of the chairman, it may be withdrawn at any time before the close of the meeting or the taking of the poll, whichever is the earlier.

70. On a poll, votes may be given either personally or by proxy.

71. A person entitled to more than one (1) vote on a poll need not use all his votes or cast all the votes he uses in the same way.

72. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.

73. Where there are joint holders of any share any one (1) of such joint ~~holder~~holders may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one (1) of such joint holders ~~be~~is present at any meeting, the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.

74. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, whether on a show of hands or on a poll, by his receiver, committee, curator bonis or other person in the nature of a receiver, committee or curator bonis appointed by such court, and such receiver, committee, curator bonis or other person may vote on a poll by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than seventy-two (72) hours before the time appointed for holding the meeting, or adjourned meeting or poll, as the case may be.

(2) Any person entitled under Article 54 to be registered as the holder of any shares may vote at any general meeting in respect thereof in the same manner as if he were the registered holder of such shares, provided that seventy-two (72) hours at least before the time of the holding of the meeting or adjourned meeting, as the case may be, at which he proposes to vote, he shall satisfy the Board of his entitlement to such shares, or the Board shall have previously admitted his right to vote at such meeting

in respect thereof.

75. No Member shall, unless the Board otherwise determines, be entitled to attend and vote and to be reckoned in a quorum at any general meeting unless he is duly registered and all calls or other sums presently payable by him in respect of shares in the Company have been paid.

76. If:

- (a) any objection shall be raised to the qualification of any voter; or
- (b) any votes have been counted which ought not to have been counted or which might have been rejected; or
- (c) any votes are not counted which ought to have been counted;

the objection or error shall not vitiate the decision of the meeting or adjourned meeting on any resolution unless the same is raised or pointed out at the meeting or, as the case may be, the adjourned meeting at which the vote objected to is given or tendered or at which the error occurs. Any objection or error shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that the same may have affected the decision of the meeting. The decision of the chairman on such matters shall be final and conclusive.

PROXIES

77. (1) Any Member entitled to attend and vote at a general meeting of the Company who is the holder of two (2) or more shares shall be entitled to appoint not more than two (2) proxies to attend and vote instead of him at the same general meeting provided that if the Member is the Depository or a relevant intermediary:

- (a) the Depository or the relevant intermediary may each appoint more than two (2) proxies to attend and vote at the same general meeting and each proxy shall be entitled to exercise the same powers on behalf of the Depository or the relevant intermediary (as the case may be) as the Depository or the relevant intermediary (as the case may be) could exercise, including, notwithstanding Article 65, the right to vote individually on a show of hands or on a poll;
- (b) unless the Depository specifies otherwise in a written notice to the Company, the Depository shall be deemed to have appointed as the Depository's proxies to vote on behalf of the Depository at a general meeting of the Company each of the Depositors who are individuals and whose names are shown in the records of the Depository as at a time not earlier than seventy-two (72) hours prior to the time of the relevant general meeting supplied by the Depository to the Company and notwithstanding any other provisions in these Articles, the appointment of proxies by virtue of this Article 77(1)(b) shall not require

an instrument of proxy or the lodgement of any instrument of proxy;

- (c) the Company shall accept as valid in all respects the form of instrument of proxy approved by the Depository (the "**CDP Proxy Form**") for use at the date relevant to the general meeting in question naming a Depositor (the "**Nominating Depositor**") and permitting that Nominating Depositor to nominate a person or persons other than himself as the proxy or proxies appointed by the Depository. A Nominating Depositor who is not a relevant intermediary may nominate not more than two (2) persons to attend and vote in his place as proxy or proxies appointed by the Depository, and a Nominating Depositor who is a relevant intermediary may nominate more than two (2) persons to attend and vote in its place as proxies appointed by the Depository. The Company shall, in determining rights to vote and other matters in respect of a completed CDP Proxy Form submitted to it, have regard to the instructions given by and the notes (if any) set out in the CDP Proxy Form. The submission of any CDP Proxy Form shall not affect the operation of Article 77(1)(b) and shall not preclude a Depositor appointed as a proxy by virtue of Article 77(1)(b) from attending and voting at the relevant meeting but in the event of attendance by such Depositor the CDP Proxy Form submitted bearing his name as the Nominating Depositor shall be deemed to be revoked;
- (d) the Company shall reject any CDP Proxy Form of a Nominating Depositor if his name is not shown in the records of the Depository as at a time not earlier than seventy-two (72) hours prior to the time of the relevant general meeting supplied by the Depository to the Company; and
- (e) on a poll the maximum number of votes which a Depositor, or proxies appointed pursuant to a CDP Proxy Form in respect of that Depositor, is able to cast shall be the number of shares credited to the Securities Account of that Depositor as shown in the records of the Depository as at a time not earlier than seventy-two (72) hours prior to the time of the relevant general meeting supplied by the Depository to the Company, whether that number is greater or smaller than the number specified in any CDP Proxy Form or instrument of proxy executed by or on behalf of the Depository.

(2) In any case where an instrument of proxy appoints more than one (1) proxy (including the case when a CDP Proxy Form is used), the proportion of the shareholding concerned to be represented by each proxy shall be specified in the instrument of proxy.

(3) A proxy need not be a Member. In addition, subject to Article 77(1), a proxy or proxies representing either a Member who is an individual or a Member which is a corporation shall be entitled to exercise the same powers on behalf of the Member which he or they represent as such Member could exercise, including, notwithstanding Article 65, the right to vote individually on a show of hands. On a poll, a proxy need not use all the votes he is entitled to cast or cast all such votes in the same way.

78. The instrument appointing a proxy shall be in writing under the hand of the appointor or of his

attorney duly authorised in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same or, in the case of the Depository, signed by its duly authorised officer by some method or system of mechanical signature as the Depository may deem appropriate. In the case of an instrument of proxy purporting to be signed on behalf of a corporation by an officer thereof it shall be assumed, unless the contrary appears, that such officer was duly authorised to sign such instrument of proxy on behalf of the corporation without further evidence of the fact.

79. The instrument appointing a proxy and (if required by the Board) the power of attorney or other authority (if any) under which it is signed on behalf of the appointor (which shall, for this purpose, include a Depositor), or a certified copy of such power or authority, shall be delivered to such place or one of such places (if any) as may be specified for that purpose in or by way of note to or in any document accompanying the notice convening the meeting (or, if no place is so specified at the Registration Office or the Office, as may be appropriate) not less than seventy-two (72) hours before the time appointed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote or, in the case of a poll taken subsequently to the date of a meeting or adjourned meeting, not less than twenty-four (24) hours before the time appointed for the taking of the poll and in default the instrument of proxy shall not be treated as valid. No instrument appointing a proxy shall be valid after the expiration of twelve (12) months from the date named in it as the date of its execution, except at an adjourned meeting or on a poll demanded at a meeting or an adjourned meeting in cases where the meeting was originally held within twelve (12) months from such date. Delivery of an instrument appointing a proxy shall not preclude a Member from attending and voting in person at the meeting convened and in such event, the instrument appointing a proxy shall be deemed to be revoked.

80. Instruments of proxy shall be in any usual or common form (including any form approved from time to time by the Depository) or in such other form as the Board may approve and the Board may, if it thinks fit, send out with the notice of any meeting forms of instrument of proxy for use at the meeting. The instrument of proxy shall be deemed to confer authority to demand or join in demanding a poll and to vote on any matter at the meeting or on the amendment of any resolution put to the meeting for which it is given, as the proxy thinks fit. The instrument of proxy shall, unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.

81. A vote given in accordance with the terms of an instrument of proxy shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the instrument of proxy or of the authority under which it was executed, provided that no intimation in writing of such death, insanity or revocation shall have been received by the Company at the Office or the Registration Office (or such other place as may be specified for the delivery of instruments of proxy in the notice convening the meeting or other document sent therewith) two (2) hours at least before the commencement of the meeting or adjourned meeting, or the taking of the poll, at which the instrument of proxy is used.

82. Anything which under these Articles a Member may do by proxy he may likewise do by his duly appointed attorney and the provisions of these Articles relating to proxies and instruments appointing proxies shall apply *mutatis mutandis* in relation to any such attorney and the instrument under which such

attorney is appointed.

CORPORATIONS ACTING BY REPRESENTATIVES

83. (1) Any corporation which is a Member may by resolution of its directors or other governing body authorise such person as it thinks fit to act as its representative at any meeting of the Company or at any meeting of any class of Members. The person so authorised shall be entitled to exercise the same powers on behalf of such corporation as the corporation could exercise if it were an individual Member and such corporation shall for the purposes of these Articles be deemed to be present in person at any such meeting if a person so authorised is present thereat.

(2) Where a Member is the Depository (or its nominee, in each case, being a corporation), it may authorise such persons as it thinks fit to act as its representatives at any meeting of the Company or at any meeting of any class of Members provided that the authorisation shall specify the number and class of shares in respect of which each such representative is so authorised. Each person so authorised under the provisions of this Article shall be entitled to exercise the same rights and powers as if such person was the registered holder of the shares of the Company held by the Depository (or its nominee) in respect of the number and class of shares specified in the relevant authorisation including the right to vote individually on a show of hands or on a poll.

(3) Any reference in these Articles to a duly authorised representative of a Member being a corporation shall mean a representative authorised under the provisions of this Article.

WRITTEN RESOLUTIONS OF MEMBERS

84. Subject to the Act, a resolution in writing signed (in such manner as to indicate, expressly or impliedly, unconditional approval) by or on behalf of all Members for the time being entitled to receive notice of and to attend and vote at general meetings of the Company shall, for the purposes of these Articles, be treated as a resolution duly passed at a general meeting of the Company and, where relevant, as a Special Resolution so passed. Any such resolution shall be deemed to have been passed at a meeting held on the date on which it was signed by the last Member, and where the resolution states a date as being the date of his signature thereof by any Member the statement shall be *prima facie* evidence that it was signed by him on that date. Such a resolution may consist of several documents in the like form, each signed by one (1) or more relevant Members.

BOARD OF DIRECTORS

85. (1) The Company may from time to time by Ordinary Resolution, determine the maximum number of Directors and increase or reduce the number of Directors but so that the number of Directors shall never be less than two (2). All Directors shall be natural persons. (2) The Board shall have the power from time to time and at any time to appoint any person as a Director either to fill a casual vacancy or as an additional Director.

(3) Neither a Director nor an alternate Director shall be required to hold any shares of the Company by way of qualification and a Director or alternate Director (as the case may be) who is not a Member shall be entitled to receive notice of and to attend and speak at any general meeting of the Company and class meeting of the Company.

(4) Subject to any provision to the contrary in these Articles, the Members may, at any general meeting convened and held in accordance with these Articles, by Ordinary Resolution remove a Director at any time before the expiration of his period of office notwithstanding anything in these Articles or in any agreement between the Company and such Director (but without prejudice to any claim for damages under any such agreement).

(5) A vacancy on the Board created by the removal of a Director under the provisions of Article 85(4) above may be filled by the election or appointment by the Members at the meeting at which such Director is removed or, in the absence of such election or appointment, such general meeting may authorise the Board to appoint a Director to fill any vacancy in the number left unfilled.

(6) Any Director appointed by the Board shall retire by rotation in accordance with Article 86 at the next annual general meeting of the Company and shall then be eligible for re-election at that meeting Provided That all Directors shall submit themselves for retirement by rotation and (if they so desire) re-election at regular intervals and at least once every three (3) years.

(7) Notwithstanding any other provisions in these Articles and for so long as the shares of the Company are listed on ~~the~~ Designated Stock Exchange, a Director shall immediately resign from the Board if he is disqualified from acting as a director in any jurisdiction for reasons other than on technical grounds or if so required by the rules or regulations of ~~the~~ Designated Stock Exchange.

RETIREMENT OF DIRECTORS

86. (1) Each Director shall retire at least once every three (3) years.

(2) A retiring Director shall be eligible for re-election.

(3) The Company at the meeting at which a Director retires under any provision of these Articles may by Ordinary Resolution fill the office being vacated by electing thereto the retiring Director or some other person eligible for appointment. In default the retiring Director shall be deemed to have been re-elected except in any of the following cases:

(a) where at such meeting it is expressly resolved not to fill such office or a resolution for the re-election of such Director is put to the meeting and lost;

- (b) such Director is disqualified under the Act or (for so long as the shares of the Company are listed on ~~the~~ Designated Stock Exchange) the rules or regulations of ~~the~~ Designated Stock Exchange from holding office as a Director in any jurisdiction for reasons other than on technical grounds; or

The retirement shall not have effect until the conclusion of the meeting except where a resolution is passed to elect some other person in the place of the retiring Director or a resolution for his re-election is put to the meeting and lost and accordingly a retiring Director who is re-elected or deemed to have been re-elected will continue in office without a break.

133. (1) The Company may have one (1) or more Seals, as the Board may determine. For the purpose of sealing documents creating or evidencing securities issued by the Company, the Company may have a securities seal which is a facsimile of the Seal with the addition of the words "Securities Seal" on its face or in such other form as the Board may approve. The Board shall provide for the custody of each Seal and no Seal shall be used without the authority of the Board or of a committee of the Board authorised by the Board in that behalf. Subject as otherwise provided in these Articles, any instrument to which a Seal is affixed shall be signed autographically by one (1) Director and the Secretary or by two (2) Directors or by such other person (including a Director) or persons as the Board may appoint, either generally or in any particular case, save that as regards any certificates for shares or debentures or other securities of the Company the Board may by resolution determine that such signatures or either of them shall be dispensed with or affixed by some method or system of mechanical signature. Every instrument executed in the manner provided by this Article shall be deemed to be sealed and executed with the authority of the Board previously given.

(2) Where the Company has a Seal for use in any place or places outside of the Cayman Islands, the Board may by resolution appoint any agent or committee abroad to be the duly authorised agent of the Company for the purpose of affixing and using such Seal and the Board may impose restrictions on the use thereof as may be thought fit. Wherever in these Articles reference is made to the Seal, the reference shall, when and so far as may be applicable, be deemed to include any such other Seal as aforesaid.

AUTHENTICATION OF DOCUMENTS

134. Any Director or the Secretary or any person appointed by the Board for the purpose may authenticate any documents affecting the constitution of the Company and any resolution passed by the Company or the Board or any committee, and any books, records, documents and accounts relating to the business of the Company, and to certify copies thereof or extracts therefrom as true copies or extracts, and if any books, records, documents or accounts are elsewhere than at the Office or the head office the local manager or other officer of the Company having the custody thereof shall be deemed to be a person so appointed by the Board. A document purporting to be a copy of a resolution, or an extract from the minutes of a meeting, of the Company or of the Board or any committee which is so certified shall be conclusive evidence in favour of all persons dealing with the Company upon the faith thereof that such resolution has been duly passed or, as the case may be, that such minutes or extract is a true and accurate record of proceedings at a duly constituted meeting. Any authentication or certification made pursuant to this Article may be made by any electronic means approved by the Directors from time to time for such purpose incorporating, if the Directors deem necessary, the use of security and/or identification procedures or devices approved by the Directors.

DESTRUCTION OF DOCUMENTS

135. The Company shall be entitled to destroy the following documents at the following times:
- (a) any share certificate which has been cancelled at any time after the expiry of six (6) years from the date of such cancellation;
 - (b) any dividend mandate or any variation or cancellation thereof or any notification of change of name or address of Members at any time after the expiry of six (6) years from the date such mandate or variation or cancellation or notification was recorded by the Company;
 - (c) any instrument of transfer of shares which has been registered at any time after the expiry of six (6) years from the date of registration;
 - (d) any allotment letters after the expiry of six (6) years from the date of issue thereof; and
 - (e) copies of powers of attorney, grants of probate and letters of administration at any time after the expiry of six (6) years after the account to which the relevant power of attorney, grant of probate or letters of administration related has been closed;

and it shall conclusively be presumed in favour of the Company that every entry in the Register purporting to be made on the basis of any such documents so destroyed was duly and properly made and every share certificate so destroyed was a valid certificate duly and properly cancelled and that every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered and that every other document destroyed hereunder was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company; provided always that: (i) the foregoing provisions of this Article shall apply only to the destruction of a document in good faith and without express notice to the Company that the preservation of such document was relevant to a claim (regardless of the parties thereto); (ii) nothing contained in this Article shall be construed as imposing upon the Company any liability in respect of the destruction of any such document earlier than as aforesaid or in any case where the conditions of proviso (i) above are not fulfilled; and (iii) references in this Article to the destruction of any document include references to its disposal in any manner.

DIVIDENDS AND OTHER PAYMENTS

136. Subject to the Act, any rights and restrictions for the time being attached to any shares of the Company, or as otherwise provided for in these Articles, (including but not limited to Article 175), the Company in general meeting may from time to time declare dividends in any currency to be paid to the Members but no dividend shall be declared in excess of the amount recommended by the Board.

137. Dividends may be declared and paid out of the profits of the Company, realised or unrealised, or from any reserve set aside from profits which the Board determines is no longer needed. With the sanction of an Ordinary Resolution, dividends may also be declared and paid out of the share premium account or any other fund or account which may be authorised for this purpose in accordance with the Act,

provided that no distribution or dividend may be paid to Members out of the share premium account unless, immediately following the date on which the distribution or dividend is proposed to be paid, the Company shall be able to pay its debts as they fall due in the ordinary course of business.

138. Except in so far as the rights attaching to, or the terms of issue of, any share otherwise provide:
- (a) all dividends shall be declared and paid according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of calls shall be treated for the purposes of this Article as paid up on the share; and
 - (b) all dividends shall be apportioned and paid *pro rata* according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid.

139. The Board may from time to time pay to the Members such interim dividends as appear to the Board to be justified by the profits of the Company and in particular (but without prejudice to the generality of the foregoing) if at any time the share capital of the Company is divided into different classes, the Board may pay such interim dividends in respect of those shares in the capital of the Company which confer on the holders thereof deferred or non-preferential rights as well as in respect of those shares which confer on the holders thereof preferential rights with regard to dividend and provided that the Board acts bona fide the Board shall not incur any responsibility to the holders of shares conferring any preference for any damage that they may suffer by reason of the payment of an interim dividend on any shares having deferred or non-preferential rights and may also pay any fixed dividend which is payable on any shares of the Company half-yearly or on any other dates, whenever such profits, in the opinion of the Board, justifies such payment.

140. The Board may deduct from any dividend or other moneys payable to a Member by the Company on or in respect of any shares held by such Member, either alone or jointly with any other Member, all sums of money (if any) presently payable by such Member to the Company, either alone or jointly with any other person in respect of any debts, liabilities or engagements to the Company on account of calls or otherwise towards satisfaction (in whole or in part) of such debts, liabilities or engagements, or any other account which the Company is required by law to deduct.

141. The Directors may retain any dividend or other moneys payable on or in respect of a share on which the Company has a lien and may apply the same in or towards satisfaction of the debts, liabilities or engagements in respect of which the lien exists.

142. The Directors may retain the dividends payable on shares in respect of which any person is under these Articles, as to the transmission of shares, entitled to become a Member, or which any person under these Articles is entitled to transfer, until such person shall become a Member in respect of such shares or shall duly transfer the same.

143. No unpaid dividend or distribution or other moneys payable by the Company shall bear interest

as against the Company.

~~144. (1) Any~~ 144. (1) Any dividend, interest or other sum payable in cash to the holder of shares may be paid by any bank or other funds transfer or payment system or by such other means including, in respect of uncertificated shares or other units of a security (including depositary interests), by means of the facilities and requirements or a relevant system, as the holder (or joint holders) may in writing direct and the Company may agree. Such payment may be made to or through such persons as the holder (or joint holders) may direct in writing. The Company shall have no responsibility for any sums lost or delayed in the course of payment by any such system or other means or where it has acted on any such directions and the making of payment by any such system or other means shall constitute a good discharge to the Company. In addition, any dividend, interest or other sum payable in cash to the holder of shares may be paid by cheque or warrant or similar financial instrument sent through the post addressed to the holder at his registered address (or in the case of a UK Depository, subject to the approval of the Board, such persons and addresses as the UK Depository may require) or, in the case of joint holders, addressed to the holder whose name stands first in the Register in respect of the shares at his address as appearing in the Register or addressed to such person and at such address as the holder or joint holders may in writing direct. Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of the holder whose name stands first on the Register in respect of such shares, and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company notwithstanding that it may subsequently appear that the same has been stolen or that any endorsement thereon has been forged. Any one (1) of two (2) or more joint holders may give effectual receipts for any dividends or other moneys payable or property distributable in respect of the shares held by such joint holders. Every such cheque or warrant shall be sent at the risk of the person entitled to the money represented thereby and the Company shall not be responsible for the loss of any cheque or warrant sent through the post, which shall be sent by post duly addressed to the Member for whom it is intended.

(2) Notwithstanding the provisions of Article 144(1) and Article 144(3), the payment by the Company to the Depository of any dividend payable to a Depositor shall, to the extent of the payment made to the Depository, discharge the Company from any liability to the Depositor in respect of that payment.

(3) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall *mutatis mutandis* apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

145. All dividends or bonuses unclaimed for one (1) year after having been declared may be invested or otherwise made use of by the Board for the benefit of the Company until claimed. Any dividend or bonuses unclaimed after a period of six (6) years from the date of declaration shall be forfeited and shall revert to the Company. If the Depository returns any such dividend or moneys to the Company, the relevant Depositor shall not have any right or claim in respect of such dividend or moneys against the Company if a period of six (6) years has elapsed from the date of declaration of such dividend or the date on which such other moneys are first payable. For the avoidance of doubt, no Member shall be entitled to any interest, share of revenue or other benefit arising from any unclaimed dividends, howsoever and whatsoever. The payment by the Board of any unclaimed dividend or other sums payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.

146. Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared, the Board may further resolve that such dividend be satisfied wholly or in part by the distribution of specific assets of any kind and in particular of paid up shares, debentures or warrants to subscribe securities of the Company or any other company, or in any one (1) or more of such ways, and where any difficulty arises in regard to the distribution the Board may settle the same as it thinks expedient, and in particular may issue certificates in respect of fractions of shares, disregard fractional entitlements or round the same up or down, and may fix the value for distribution of such specific assets, or any part thereof, and may determine that cash payments shall be made to any Members upon the footing of the value so fixed in order to adjust the rights of all parties, and may vest any such specific assets in trustees as may seem expedient to the Board and may appoint any person to sign any requisite instruments of transfer and other documents on behalf of the persons entitled to the dividend, and such appointment shall be effective and binding on the Members. The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration statement or other special formalities, such distribution of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

147. (1) Subject to the rules or regulations of ~~the~~ Designated Stock Exchange, whenever the Board or the Company in general meeting has resolved that a dividend (including an interim, final, special or other dividend) be paid or declared on shares of a particular class in the capital of the Company, the Directors may further resolve that Members entitled to such dividend be entitled to elect to receive an allotment of shares of that class credited as fully paid in lieu of cash in respect of the whole or such part of the dividend as the Directors may think fit. In such case, the following provisions shall apply:

- (a) the basis of any such allotment shall be determined by the Directors;
- (b) the Board shall determine the manner in which Members shall be entitled to elect to receive an allotment of shares of the relevant class credited as fully paid in lieu of cash in respect of the whole or such part of any dividend in respect of which the Directors shall have passed such a resolution as aforesaid. The Directors may make such arrangements as to

the giving of Notice to Members, providing for forms of election for completion by Members (whether in respect of a particular dividend(s) or generally), determining the procedure for making such elections or revoking the same and the place at which and the latest date and time by which any forms of election or other documents by which elections are made or revoked must be lodged, and otherwise make all such arrangements and do all such things, as the Directors consider necessary or expedient in connection with the provisions of this Article;

- (c) the right of election may be exercised in respect of the whole of that portion of the dividend in respect of which the right of election has been accorded, provided that the Directors may determine, either generally or in specific cases, that such right shall be exercisable in respect of the whole or any part of that portion; and
- (d) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on the shares of the relevant class in respect of which the share election has been duly exercised (the "**elected shares**") and in lieu of cash and in satisfaction thereof shares of the relevant class shall be allotted and credited as fully paid to the holders of the elected shares on the basis of allotment determined as aforesaid. For such purpose, the Board shall (i) capitalise and apply out of the amount standing to the credit of any of the Company's reserve accounts or any sum standing to the credit of the profit and loss account or otherwise available for distribution as the Directors may determine, such sums as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and among the holders of the elected shares on such basis, or (ii) apply the sum which would otherwise have been payable in cash to the holders of the elected shares towards payment of the appropriate number of shares of the relevant class for allotment and distribution to and among the holders of the elected shares on such basis.

~~(2)(f)~~

- (a) The shares of the relevant class allotted pursuant to the provisions of Article 147(1) shall rank *pari passu* in all respects with the shares of that class then in issue save only as regards participation in the dividend which is the subject of the election referred to above (including the right to make the election referred to above) or any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the dividend which is the subject of the election referred to above, unless the Board shall otherwise specify.
- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of Article 147(1), with full power to make such provisions as it may think fit in the case of shares of the relevant class becoming distributable in fractions (including, notwithstanding any provision to the contrary in these Articles, provisions whereby, in whole or in part, fractional entitlements are

disregarded or rounded up or down, or whereby the benefit of fractional entitlements accrues to the Company rather than the Members) and to authorise any person to enter on behalf of the Members interested into agreement(s) with the Company providing for any such appropriation, capitalisation, application, payment and distribution of funds and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned.

(3) The Directors may, on any occasion when they resolve as provided in Article 147(1), determine that the rights of election under Article 147(1) shall not be made available to the persons who are registered as holders of shares in the Register or (as the case may be) in the Depository Register, or in respect of shares the transfer of which is registered, after such date as the Directors may fix subject to such exceptions as the Directors think fit and, in such event, the provisions of this Article 147 shall be read and construed subject to such determination.

(4) The Board may, on any occasion when they resolve as provided in Article 147(1), further determine that :-

- (a) no allotment of shares or rights of election for shares under Article 147(1) shall be made available or made to Members whose registered addresses entered in the Register or (as the case may be) the Depository Register are outside Singapore or to such other Members or class of Members as the Board may in its sole discretion decide and, in such event, the only entitlements of the Members aforesaid shall be to receive in cash the relevant dividend resolved or proposed to be paid or declared; and
- (b) no allotment of shares or rights of election for shares under Article 147(1) shall be made available or made to a person, or any persons, if such allotment or rights of election would in the opinion of the Board cause such person, or such persons, to hold or control voting shares in excess of any shareholding or other limits which may from time to time be prescribed in any Statute or the rules or regulations of ~~the~~ Designated Stock Exchange, without the approval of the applicable regulatory or other authority as may be necessary.

(5) Notwithstanding the foregoing provisions of this Article, if at any time after the Directors' resolution to apply the provisions of Article 147(1) in relation to any dividend but prior to the allotment of shares pursuant thereto, the Board shall consider that, by reason of any event or circumstance (whether arising before or after such resolution) or by reason of any matter whatsoever, it is no longer expedient or appropriate to implement that proposal, the Directors may at their absolute discretion and as they deem fit in the interests of the Company, cancel the proposed application of Article 147(1) to the dividend.

SHARE PREMIUM ACCOUNT AND RESERVES

148. (1) The Board shall establish an account to be called the share premium account and shall carry to the credit of such account from time to time a sum equal to the amount or value of the premium paid on the issue of any share in the Company. The Company may apply the share premium account in

any manner permitted by the Act. The Company shall at all times comply with the provisions of the Act in relation to the share premium account.

(2) There may be debited to any share premium account on the redemption or purchase of a share by the Company, the difference between the nominal value of such share and the redemption or purchase price provided always that at the determination of the Directors, such sum may be paid out of the profits of the Company or, if permitted by the Act and (for so long as the shares of the Company are listed on ~~the~~ Designated Stock Exchange) the listing rules of ~~the~~ Designated Stock Exchange, out of capital.

149. Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

150. (1) Subject to the Act, the listing rules of ~~the~~ Designated Stock Exchange and these Articles, the Company may, upon the recommendation of the Board, at any time and from time to time pass an Ordinary Resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including the share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, for allotment and distribution credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article, a share premium account and any capital redemption reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be issued to such Members credited as fully paid. In carrying sums to reserve and in applying the same the Board shall comply with the provisions of the Act.

(2) Notwithstanding any provisions in these Articles, the Board may resolve to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution by:

- (a) appropriating such sum resolved to be capitalised to the Members, either in proportion to the nominal amount of shares (whether or not fully paid) held by them respectively, or otherwise on a *pari passu* basis (with the written consent of any Member adversely affected thereby), and apply that sum on their behalf in or towards (i) paying up the amount (if any) for the time being unpaid on shares held by the Members respectively; or (ii) paying up in full unissued shares of a nominal amount to that sum, and allot the shares, credited as fully paid to the Members (or as they may direct) in those proportions, or partly in one way and partly in the other; or
- (b) applying such sum in paying up unissued shares to be allotted to (i) employees (including Directors) of the Company and/or its affiliates (meaning any individual, corporation, partnership, association, joint-stock company, trust, unincorporated association or other entity (other than the Company) that directly, or indirectly through one (1) or more intermediaries, controls, is controlled by or is under common control with, the Company) upon exercise or vesting of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting; or (ii) any trustee of any trust to whom shares are to be allotted and issued by the Company in connection with the operation of any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting.

151. (1) The Board may settle and make any arrangements, as it considers appropriate, to resolve any difficulty arising in regard to any distribution under the last preceding Article and in particular, without limitation, where shares become distributable in fractions the Board may deal with the fraction as it considers appropriate, including that the Board may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board.

(2) The Board may appoint and authorise any person to sign (on behalf of the persons entitled to participate in the distribution) any contract with the Company necessary or desirable for either (i) the allotment to the persons respectively, credited as fully paid, of shares to which they may be entitled on the capitalisation; or (ii) the payment by the Company on behalf of the Members (by the application of their respective proportions of the reserves or fund resolved to be capitalised) of the amounts or part of the amounts remaining unpaid on their existing shares, and any such appointment and contract made under this authority shall be effective and binding upon the Members.

(3) The Board may do all acts and things which it considers necessary or desirable to give effect to any of the actions contemplated in Articles 150 and 151.

ACCOUNTING RECORDS

152. The Board shall cause to be kept proper books of account relating to the Company's affairs, including those with respect to all sums of money received and expended by the Company and the matters in respect of which the receipt and expenditure takes place; all sales and purchases of goods by the Company; the assets and liabilities of the Company; and all other matters required by the Act or necessary to give a true and fair view of the Company's affairs and to explain its transactions.

153. The books of account shall be kept at the Office or, at such other place or places as the Board decides and shall always be open to inspection by the Directors. Subject to any applicable listing rules of ~~the~~ Designated Stock Exchange or the Statutes, no Member (other than a Director) shall have any right of inspecting any accounting record or book or document of the Company, except as conferred by law or authorised by the Board or the Company in general meeting.

154. (1) For so long as the shares of the Company are listed on ~~the~~ Designated Stock Exchange, the Directors shall cause to be prepared and to be laid before the Company in general meeting such profit and loss accounts, balance sheets, group accounts and reports as may be necessary or required by the rules and regulations of ~~the~~ Designated Stock Exchange.

~~-~~ (2) Subject to Article 154(3), a copy of the financial statements which is to be laid before a general meeting of the Company, made up to the end of the applicable financial year and including every document and all information as required by all applicable Statutes, rules and regulations, and the rules or regulations of ~~the~~ Designated Stock Exchange (the "**Financial Statements**"), together with a copy of the Auditor's report, shall be sent to each person entitled thereto (the "**Entitled Persons**") at least fourteen (14) days before the date of the general meeting provided that this Article shall not require a copy of those documents to be sent to any person whose address the Company is not aware of or to more than one (1) of the joint holders of any shares or debentures.

(3) Subject to compliance with all applicable Statutes, rules and regulations, including, without limitation, the rules or regulations of ~~the~~ Designated Stock Exchange, and to obtaining necessary consents, if any, required thereunder, the Company may send to Entitled Persons summarised financial statements, derived from the Financial Statements for the relevant period, instead of the Financial Statements. The summarised financial statements shall be accompanied by the Auditor's report. Entitled Persons who receive the summarised financial statements may elect, by notice in writing to the Company, to receive the Financial Statements.

(4) The requirement to send to a person referred to in Article 154(2) the documents referred to in that Article or summarised financial statements in accordance with Article 154(3) shall be deemed satisfied where, in accordance with all applicable Statutes, rules and regulations, including, without limitation, the rules or regulations of ~~the~~ Designated Stock Exchange, the Company publishes copies of the documents referred to in Article 154(2) and, if applicable, summarised financial statements complying with Article 154(3), on the Company's computer network or website or in any other permitted manner (including by sending any form of electronic communication), and that person has agreed or is deemed to have agreed to treat the publication or receipt of such documents in such manner as discharging the

Company's obligation to send to him a copy of such documents.

FINANCIAL YEAR END

154A. The financial year end of the Company shall be 31st December in each year but, subject to any direction of the Company in general meeting, the Board may from time to time prescribe some other period to be the financial year, provided that the Board may not without the sanction of an Ordinary Resolution prescribe or allow any financial year longer than eighteen months.

AUDIT

155. (1) At the annual general meeting or at a subsequent general meeting in each year, the Members shall by Ordinary Resolution appoint an auditor to hold office until the close of the next annual general meeting, and if an appointment is not so made, the Auditor in office shall continue in office until a successor is appointed. Such auditor may be a Member but no Director or officer or employee of the Company shall, during his continuance in office, be eligible to act as an auditor of the Company.

(2) A person, other than a retiring Auditor, shall not be capable of being appointed Auditor at an annual general meeting unless notice in writing of an intention to nominate that person to the office of Auditor has been given not less than fourteen (14) days before the annual general meeting and furthermore, the Company shall send a copy of any such notice to the retiring Auditor.

(3) The Members may, at any general meeting convened and held in accordance with these Articles, by Special Resolution remove the Auditor at any time before the expiration of his term of office and shall by Ordinary Resolution at that meeting appoint another Auditor in his stead for the remainder of his term.

156. Subject to the Act, the financial statements of the Company shall be audited at least once in every year.

157. The remuneration of the Auditor shall be fixed by the Company in general meeting or in such manner as the Members may determine.

158. If the office of auditor becomes vacant by the resignation or death of the Auditor, or by his becoming incapable of acting by reason of illness or other disability at a time when his services are required, the Board may appoint an auditor to fill the vacancy. An Auditor appointed pursuant to this Article shall, subject to these Articles, hold office until the close of the next annual general meeting.

159. The Auditor shall at all reasonable times have access to all books kept by the Company and to all accounts and vouchers relating thereto; and he may call on the Directors or officers of the Company for any information in their possession relating to the books or affairs of the Company.

160. The financial statements of the Company shall be examined by the Auditor and compared by him

with the books, accounts and vouchers relating thereto; and he shall make a written report thereon stating whether such financial statements are drawn up so as to present fairly the financial position of the Company and the results of its operations for the period under review and, in case information shall have been called for from Directors or officers of the Company, whether the same has been furnished and has been satisfactory. The financial statements of the Company shall be audited by the Auditor in accordance with generally accepted auditing standards. The Auditor shall make a written report thereon in accordance with generally accepted auditing standards and the report of the Auditor shall be submitted to the Members in general meeting. The generally accepted auditing standards referred to herein may be those of a country or jurisdiction other than the Cayman Islands. If so, the financial statements and the report of the Auditor should disclose this fact and name such country or jurisdiction.

161. The Directors in each year shall prepare, or cause to be prepared, an annual return and declaration setting forth the particulars required by the Act and deliver a copy thereof to the Registrar of Companies in the Cayman Islands.

NOTICES

162. Any notice or document from the Company to a Member shall be given in writing or by cable, telex or by electronic means (including facsimile and electronic mail) and any such notice or document may be served or delivered by the Company on or to any Member either personally or by sending it through the post in a prepaid envelope addressed to such Member at his registered address as appearing in the Register or (if he has no registered address within Singapore) at any other address within Singapore supplied by him to the Company for the purpose of service of notices or, as the case may be, by transmitting it by electronic means (including facsimile and electronic mail) to any such address or number supplied by him to the Company for the purpose of service of notices to him or which the person transmitting the notice reasonably and bona fide believes at the relevant time will result in the notice being duly received by the Member or may also be served in accordance with applicable requirements of ~~the~~ Designated Stock Exchange. In the case of joint holders of a share, all notices shall be given to that one (1) of the joint holders whose name stands first in the Register in respect of the joint holding, and notice so given shall be deemed a sufficient service on or delivery to all the joint holders.

163. Any Member present, either personally or by proxy, at any meeting of the Company shall for all purposes be deemed to have received due notice of such meeting, and, where requisite, of the purposes for which such meeting was convened.

APPENDIX C – IPT GENERAL MANDATE (AS AMENDED)

provided that they are carried out on an arm's length basis and on normal commercial terms and are not prejudicial to our Company and its minority Shareholders.

Therefore, the IPT General Mandate and its subsequent renewal on an annual basis would enhance the ability of our Group to pursue business opportunities which are time-sensitive in nature and would eliminate the need to announce and/or convene separate general meetings from time to time to seek Shareholders' approval as and when potential Mandated Transactions with a Mandated Interested Person arise, thereby substantially reducing the administrative time and expenses in convening such meetings on an ad hoc basis, without compromising the corporate objectives and adversely affecting the business opportunities available to our Group and the day-to-day operations of our Group.

4. METHODS AND PROCEDURES FOR MANDATED TRANSACTIONS WITH MANDATED INTERESTED PERSONS

We have established the following methods and procedures to ensure that Mandated Transactions with the Mandated Interested Persons will be undertaken on normal commercial terms, consistent with our Group's usual policies and practices and are not prejudicial to the interests of our Company and its minority Shareholders.

(a) Provision of art outsourcing and/or game development services to the Mandated Interested Person(s)

The methods and procedures are as follows:

- (i) All contracts entered into in relation to the provision of art outsourcing and/or game development services to the Mandated Interested Person(s) are to be entered into at our prevailing market rates, on terms which are no more favourable to the Mandated Interested Person(s) than the usual commercial terms extended by our Group to unrelated third parties or otherwise in accordance with applicable industry norms, and not prejudicial to the interest of our Company and its minority Shareholders;
- (ii) Our Group shall determine the terms (including but not limited to the man-day rates, any revenue or profit-sharing terms, the billing milestone and the credit terms) for the provision of art outsourcing and/or game development services to the Mandated Interested Person(s) after comparing the terms to be offered to the Mandated Interested Person(s) with at least two other recently signed art outsourcing and/or game development projects with unrelated third parties;
- (iii) In determining whether the man-day rates chargeable to the Mandated Interested Person(s) are on normal commercial terms, our Group shall take into account factors such as but are not limited to, the volume and complexity of the deliverables (such as the amount of scenes and characters required, length of the gameplay and programming requirements), the manpower requirements comprising designers,

APPENDIX C – IPT GENERAL MANDATE (AS AMENDED)

technical artists, animators and/or programmers required for the project as well as the availability of our Group’s resources, whether the customer has requested for exclusively team members on the project during the contractual period, the confidentiality requirements which may require our Group to set up a private access room for the project team, the estimated project timeline and preferential rates/prices/ discounts accorded to long-term and/or extension contracts or repeat customers (the “**Day Rates Factors**”);

- (iv) In determining whether the revenue or profit-sharing terms, if any, are on normal commercial terms, our Group shall take into account factors such as but are not limited to, the scale of the project, the reputation of the customer or the intellectual property rights of the game, and the track record of the customer (the “**Profit-Sharing Factors**”); and
- (v) In the circumstance where there are no comparable unrelated third party contracts that were recently signed, the terms of the proposed Mandated Transaction(s) shall also be subject to the review and approval of a senior management staff such as our Chief Executive Officer or Chief Financial Officer or, in the event our Chief Executive Officer and Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s), an officer of similar or equivalent rank (who must have no interest, direct or indirect in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by our Audit Committee for such Mandated Transaction(s)) who shall determine whether the terms offered to the Mandated Interested Person(s) are in accordance with the applicable industry norms, on normal commercial terms and not prejudicial to the interest of our Company and its minority Shareholders having regards to the Day Rates Factors, the Profit-Sharing Factors (if applicable), as well as costs and benefits to our Group for entering into the Mandated Transaction(s).

(b) Obtaining of services from the Mandated Interested Person(s) relating to the engagement of employees on our behalf

The methods and procedures are as follows:

- (i) Our Group will obtain at least two quotations from unrelated third party suppliers for similar services, whenever appropriate and available, prior to the entry into the contract or transaction with the Mandated Interested Person(s), as a basis for comparison to determine whether the price and terms offered by the Mandated Interested Person(s) are on normal commercial terms and comparable to those offered by unrelated third parties for the same or substantially similar services, and not prejudicial to the interest of our Company and its minority Shareholders;

APPENDIX C – IPT GENERAL MANDATE (AS AMENDED)

- (ii) In determining whether the price and terms of services offered by the Mandated Interested Person(s) (such as engagement of employees on our behalf) are on normal commercial terms, our Group will take into account factors such as but are not limited to, the location of services required, complexity of the services required, tenure of services required (the “**Service Factors**”);
- (iii) In the circumstance where such comparable service quotations are not available (for instance, if there are no unrelated third party vendors providing similar services), the terms of the proposed Mandated Transaction(s) shall also be subject to the review and approval of a senior management staff such as our Chief Executive Officer or Chief Financial Officer or, in the event our Chief Executive Officer and Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s), an officer of similar or equivalent rank (who must have no interest, direct or indirect, in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by our Audit Committee for such Mandated Transaction(s)) who shall determine whether the terms offered by the Mandated Interested Person(s) are fair and reasonable, having regard to the Service Factors as well as costs and benefits to our Group for entering into the Mandated Transaction(s); and
- (iv) Where the Mandated Interested Person(s) seeks reimbursement from our Group for expenses incurred in relation to the services provided to our Group, our finance department shall review and ensure that the relevant supporting documents are attached to the reimbursement claims ⁽¹⁾.

Note:

- (1) The reimbursement refers to out-of-pocket expenses which the Mandated Interested Persons may incur in the process of the engagement of employees on our Group’s behalf. Such expenses could include, but are not limited to, flight tickets for the employees, in the event they are required to be relocated in connection with their employment, as well as any fees that may have to be payable in connection with the application for the requisite employment permits and approvals for such employees from the relevant local authorities. As such expenses incurred are out-of-pocket expenses, our Group will assess whether the expenses to be reimbursed are fair and reasonable by comparing the expenses incurred to the market price of similar goods and services, to the extent available.

(e)(c) Joint development on a project basis with the Mandated Interested Person(s)

As each of such joint development projects require significant customisation based on the specific needs of the relevant project and in particular the Acer Group is a global IT company with certain unique technologies and know-how, our Group would not be able to source and request for quotes from third party potential joint

APPENDIX C – IPT GENERAL MANDATE (AS AMENDED)

development partners in determining whether the terms and conditions of our participation in such projects are on normal commercial terms.

The methods and procedures are as follows:

- (i) All joint development agreements shall only be entered into after our Group evaluates and determines that the monetary and non-monetary contribution of the Mandated Interested Person(s) is equitable to and in any case not lower than the non-monetary contribution of our Group;
- (ii) Given the absence of comparable unrelated third party quotes for comparison as mentioned above, all joint development agreements shall be subject to the review and approval of our Chief Executive Officer or Chief Financial Officer (or in the event our Chief Executive Officer and/or Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s), an officer of similar or equivalent rank (who must have no interest, direct or indirect in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by our Audit Committee for such Mandated Transaction(s)); and
- (iii) When reviewing the terms of the joint development agreement, our Group will take into consideration the respective monetary and non-monetary contributions of the Mandated Interested Person(s) and our Group, the project timetable, the contribution milestones as well as the ownership of the intellectual property rights arising from the product(s) developed from the project. When estimating the non-monetary contribution of the Mandated Interested Person(s) or our Group, our Chief Executive Officer or Chief Financial Officer (or in the event our Chief Executive Officer and/or Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s), an officer of similar or equivalent rank (who must have no interest, direct or indirect, in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by our Audit Committee for such Mandated Transaction(s)) shall review the budget prepared by our Group and as well as the assumptions and bases to determine the reasonableness of the budget for the project, in particular, the estimated time frame required for the project, the composition of the project team, the hardware required and the man-day rates of the team members of the project (taking into account the Day Rates Factors as well as comparing the man-day rates of the joint development project with man-day rates for staff of similar designation quoted to unrelated third party customers).

APPENDIX C – IPT GENERAL MANDATE (AS AMENDED)

(d) Purchasing of IT-related products and services from Mandated Interested Person(s)

The methods and procedures are as follows:

- (i) Our Group will obtain at least two quotations from unrelated third party suppliers for similar products and services, whenever appropriate and available, prior to the entry into the contract or transaction with the Mandated Interested Person(s), as a basis for comparison to determine whether the price and terms offered by the Mandated Interested Person(s) are on normal commercial terms and comparable to those offered by unrelated third parties for the same or substantially similar products and services, and not prejudicial to the interest of our Company and its minority Shareholders;
- (ii) In determining whether the price and terms offered by the Mandated Interested Person(s) for the purchase of products and services by our Group from the Mandated Interested Person(s) are on normal commercial terms, our Group will take into account factors such as but are not limited to, size of order, product specifications, delivery costs, delivery schedules, track record of suppliers and products (the “**Product Factors**”); and
- (iii) In the circumstance where such comparable product quotations are not available (for instance, if there are no unrelated third party vendors selling similar products), the terms of the proposed Mandated Transaction(s) shall also be subject to the review and approval of a senior management staff such as our Chief Executive Officer or Chief Financial Officer or, in the event our Chief Executive Officer and Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s), an officer of similar or equivalent rank (who must have no interest, direct or indirect, in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by our Audit Committee for such Mandated Transaction(s)) who shall determine whether the terms offered by the Mandated Interested Person(s) are fair and reasonable, having regard to the Product Factors as well as costs and benefits to our Group for entering into the Mandated Transaction(s).

(de) Leasing of office space and obtaining of related facilities and services from the Mandated Interested Person(s)

The methods and procedures are as follows:

to the interest of our Company and its minority Shareholders. The fees payable by our Group to the Mandated Interested Person(s) shall be no more favourable to the Mandated Interested Person(s) as compared to the fees quoted by the unrelated third parties;

- (ii) In determining whether the fees payable by our Group to the Mandated Interested Person(s) are on normal commercial terms, our Group shall take into account the location, size of space, tenure of the lease, facilities, amenities and services available, and any other relevant factors which may affect the rental rates or terms of the lease (the “**Office Space Factors**”) In general, our Group will only enter into new leases or renew the existing leases with the Mandated Interested Person(s) if we are satisfied that the rent payable is in line with or better than prevailing market rental rates for comparable spaces; and
- (iii) In the circumstance where comparable quotations are not available (for instance, if there are no unrelated third party lessor within the same vicinity), the terms of the proposed Mandated Transaction(s) shall also be subject to the review and approval of a senior management staff such as the Chief Executive Officer or Chief Financial Officer or in the event the Chief Executive Officer and Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s) an officer of similar or equivalent rank (who must have no interest, direct or indirect in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by our Audit Committee for such Mandated Transaction(s)) who shall determine whether the terms offered by the Mandated Interested Person(s) are fair and reasonable, having regard to the Office Space Factors as well as costs and benefits to our Group for entering into the Mandated Transaction(s).

This has enhanced the ability of the Group to pursue business opportunities which are time-sensitive in nature, without the need to seek specific Shareholders' approval when such transactions arise.

We note that the methods and procedures involve:

- (a) In relation to the provision of art outsourcing and/or game development services by the Group to the Mandated Interested Person(s), the Group will compare the terms

(which may include but not limited to the man-day rates, any revenue or profit-sharing terms, the billing milestones and the credit terms) offered to the Mandated Interested Person(s) with at least two (2) other recently signed art outsourcing and/or game development projects with unrelated third parties, to ensure that the terms extended to the Mandated Interested Person(s) are at its prevailing market rates, on terms no more favourable to the Mandated Interested Person(s) than the usual commercial terms extended by the Group to unrelated third parties or otherwise in accordance with applicable industry norms, and not prejudicial to the interest of the Company and its minority Shareholders.

In determining the key terms such as whether the man-day rates chargeable to the Mandated Interested Person(s) and the profit sharing terms are on normal commercial terms, the Group will take into account factors the Day Rates Factors (such as but are not limited to, the volume and complexity of the deliverables (such as the amount of scenes and characters required, length of the gameplay and programming requirements), the manpower requirements comprising designers, technical artists, animators and/or programmers required for the project as well as the availability of the Group's resources, whether the customer has requested for exclusively team members on the project during the contractual period, the confidentiality requirements which may require the Group to set up a private access room for the project team), the estimated project timeline and preferential rates/prices/discounts accorded to long-term and/or extension contracts or repeat customers) and the Profit-Sharing Factors (such as but are not limited to, the scale of the project, the reputation of the customer or the intellectual property rights of the game, and the track record of the customer).

Where there are no unrelated third party contracts that were recently signed, the terms of the proposed Mandated Transaction(s) will also be subject to the review and approval of a senior management staff (such as the Chief Executive Officer or Chief Financial Officer or in the event the Chief Executive Officer and Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s), an officer of similar or equivalent rank (who must have no interest, direct or indirect in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by the Audit Committee for such Mandated Transaction(s)) who will determine whether the terms offered to the Mandated Interested Person(s) are in accordance with the applicable industry norms, on normal commercial terms and not prejudicial to the interest of the Company and its minority Shareholders having regards to the Day Rates Factors, the Profit-Sharing Factors (if applicable), as well as costs and benefits to the Group for entering into the Mandated Transaction(s).

- (b) In relation to the obtaining of services from the Mandated Interested Person(s) relating to the engagement of employees on behalf of the Group and the purchasing of IT-related products and services from Mandated Interested Person(s), the Group

will compare the terms offered by the Mandated Interested Person(s) with at least two (2) quotations, whenever appropriate and available from unrelated third party suppliers for similar products and/or services, prior to the entry into the contract or transaction with the Mandated Interested Person(s), to determine whether the price and terms offered by the Mandated Interested Person(s) are on normal commercial terms and comparable to those offered by unrelated third parties for the same or substantially similar products and/or services, and not prejudicial to the interest of the Company and its minority Shareholders.

In determining whether the price and terms offered by the Mandated Interested Person(s) are on normal commercial terms, the Group will take into account factors such as but are not limited to:

- (i) In relation to the obtaining of services from the Mandated Interested Person(s) relating to the engagement of employees on behalf of the Group the location of services required, complexity of the services required and tenure of services required (the “**Service Factors**”); and
- (ii) In relation to the purchasing of IT-related products and services from Mandated Interested Person(s), the size of order, product specifications, delivery costs, delivery schedules, track record of suppliers and products (the “**Product Factors**”).

Where such comparable service quotations are not available (for instance, if there are no unrelated third party vendors providing similar services and/or selling similar products), the terms of the proposed Mandated Transaction(s) will also be subject to the review and approval of a senior management staff (such as the Chief Executive Officer or Chief Financial Officer or in the event the Chief Executive Officer and Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s), an officer of similar or equivalent rank (who must have no interest, direct or indirect in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by the Audit Committee for such Mandated Transaction(s)) who will determine whether the terms offered by the Mandated Interested Person(s) are fair and reasonable, having regard to the Service Factors or the Product Factors, where applicable, as well as costs and benefits to the Group for entering into the Mandated Transaction(s).

Where the Mandated Interested Person(s) seeks reimbursement from the Group for expenses incurred in relation to the services provided to the Group, the finance department will review and ensure that the relevant supporting documents are attached to the reimbursement claims and the Group will assess whether the expenses to be reimbursed are fair and reasonable by comparing the expenses incurred to the market price of similar goods and services, to the extent available.

- (c) In relation to the joint development projects with the Acer Group which require significant customisation, the Group shall only enter the joint development agreement after the Group has evaluated and determined that the monetary and non-monetary contribution of the Mandated Interested Person(s) is equitable to and in any case not lesser than the non-monetary contribution of the Group.

Given the absence of comparable unrelated third party quotes for comparison, all joint development agreements shall be subject to the review and approval of the Chief Executive Officer or Chief Financial Officer (or in the event the Chief Executive Officer and/or Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s), an officer of similar or equivalent rank (who must have no interest, direct or indirect in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by the Audit Committee for such Mandated Transaction(s)); and

When reviewing the terms of the joint development agreement, the Group will take into consideration the respective monetary and non-monetary contributions of the Mandated Interested Person(s) and the Group, the project timetable, the contribution milestones as well as the ownership of the intellectual property rights arising from the product(s) developed from the project. When estimating the non-monetary contribution of the Mandated Interested Person(s) or the Group, the Chief Executive Officer or Chief Financial Officer (or in the event the Chief Executive Officer and/or Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s), an officer of similar or equivalent rank (who must have no interest, direct or indirect, in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by the Audit Committee for such Mandated Transaction(s)) shall review the budget prepared by the Group and as well as the assumptions and bases to determine the reasonableness of the budget for the project, in particular, the estimated time frame required for the project, the composition of the project team, the hardware required and the man-day rates of the team members of the project (taking into account the Day Rates Factors as well as comparing the man-day rates of the joint development project with man-day rates for staff of similar designation quoted to unrelated third party customers).

- (d) In relation to the leasing of office space and obtaining of related facilities and services from the Mandated Interested Person(s), the Group will compare the fees offered by the Mandated Interested Person(s) with at least two (2) quotations from unrelated third party suppliers for similar office space, facilities and services, prior to the entry into the contract with the Mandated Interested Person(s), to determine whether the fees offered by the Mandated Interested Person(s) are on normal commercial terms, and not prejudicial to the interest of the Company and its minority Shareholders. The fees payable by the Group to the Mandated Interested Person(s) will be no more

favourable to the Mandated Interested Person(s) as compared to the fees quoted by the unrelated third parties.

In determining whether the fees payable by the Group to the Mandated Interested Person(s) are on normal commercial terms, the Group will take into account the location, size of space, tenure of the lease, facilities, amenities and services available, and any other relevant factors which may affect the rental rates or terms of the lease, (the “**Office Space Factors**”). In general, the Group will only enter into new leases or renew the existing leases with the Mandated Interested Person(s) if the Group is satisfied that the rental payments is in line with or better than prevailing market rental rates for comparable spaces.

Where comparable quotations are not available (for instance, if there are no unrelated third party lessor within the same vicinity), the terms of the proposed Mandated Transaction(s) will also be subject to the review and approval of a senior management staff (such as the Chief Executive Officer or Chief Financial Officer or in the event the Chief Executive Officer and Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s), an officer of similar or equivalent rank (who must have no interest, direct or indirect in the Mandated Interested Person(s) and the Mandated Transaction(s), and as designated by the Audit Committee for such Mandated Transaction(s)) who will determine whether the terms offered by the Mandated Interested Person(s) are fair and reasonable, having regard to the Office Space Factors as well as costs and benefits to the Group for entering into the Mandated Transaction(s).

- (e) The Group will also adopt the following approval thresholds for the Mandated Transaction(s):
- (i) All Mandated Transaction(s) will be subject to review and prior approval by the Chief Executive Officer or the Chief Financial Officer or, in the event the Chief Executive Officer and the Chief Financial Officer have an interest in the Mandated Transaction(s) or are nominees of the Mandated Interested Person(s), an officer of similar or equivalent rank (who must have no interest, direct or indirect, in the transaction) (the “**Relevant Authorised Persons**”).

In the event that all of the Relevant Authorised Persons have an interest in the transaction(s), are nominees for the time being of the Mandated Interested Person(s) or have associates (as defined in the Catalist Rules) involved in the decision making process on the part of the Mandated Interested Person(s) or are subject to such conflicts of interest, the review and approval process will be undertaken by the Chairman of the Audit Committee or another member of the Audit Committee (who is not a nominee of the Mandated Interested Person(s), has no interest in the transaction and is not subject to such

conflicts of interest) as designated by the Chairman of the Audit Committee from time to time for such purpose.

- (ii) For all Mandated Transaction(s) where the value of each Mandated Transaction (either individually or cumulative, and excluding Mandated Transaction(s) which have already been reviewed and approved by the Audit Committee, during the same financial year) is equal to or exceeding 3.0% of the value of the Group's latest audited NTA, such Mandated Transaction(s) will be subject to review and prior approval of the Audit Committee.

In the event that a member of the Audit Committee has an interest in a transaction or is a nominee for the time being of the Mandated Interested Person(s), or if any associate (as defined in the Catalist Rules) of a member of the Audit Committee is involved in the decision making process on the part of the Mandated Interested Person(s), she/he shall abstain from participating in the review and approval process of the Audit Committee in relation to that transaction.

In the event that a member of the Audit Committee (who is not a nominee of the Mandated Interested Person(s), has no interest in the transaction and is not subject to such conflicts of interest) also serves as an independent non-executive director on the board of directors or (as the case may be) an audit or other board committee of the Mandated Interested Person(s), and she/he participates in the review and approval process of the Audit Committee in relation to a transaction with that Mandated Interested Person(s), she/he will abstain from participating on any decision before the board or committee of that Mandated Interested Person(s) with respect to such transaction.

- (f) The Group also implements the following maximum aggregate values for the Mandated Transactions over any 12-month period as follows:

Mandated Transactions	Maximum aggregate value of all contracts over any 12-month period
Provision of art outsourcing and/or game development services to the Mandated Interested Person(s)	US\$2,000,000
Obtaining of services (such as engagement of employees on behalf of the Group) from the Mandated Interested Person(s)	US\$300,000

In addition to the above, the maximum aggregate value of all Mandated Transactions shall not exceed US\$4,000,000 over any 12-month period.

- (g) The Company will also implement additional procedures including maintaining a register (the “**IPT Register**”) of all interested person transaction(s) (including all Mandated Transaction(s)) setting out the information pertinent to the interested person transaction(s), filing the documents (including the contract(s) entered into with the Mandated Interested Person(s), the relevant supporting documents and approval forms) relating to the Mandated Transaction(s) separately, reviewing the IPT Register and the file relating to the Mandated Transaction(s) by the Audit Committee on a half-yearly basis as well as reviewing the Mandated Transaction(s) by the internal audit annually.

4. **ROLE OF AUDIT COMMITTEE**

We note that the Audit Committee will:

- (a) review and approve Mandated Transaction(s) which individually or cumulatively (excluding Mandated Transaction(s) which have already been reviewed and approved by the Audit Committee) during the same financial year has a value equal to or exceeds 3.0% of the Group’s then latest audited NTA;
- (b) review all Mandated Transaction(s) on a half-yearly basis;
- (c) review the annual internal audit reports submitted by the internal auditors on their review of the Mandated Transaction(s); and

- (d) if during any of the reviews by the Audit Committee, the Audit Committee is of the view that the methods and procedures for the Mandated Transaction(s) have become inappropriate or insufficient in the event of changes to the nature of, or manner in which, the business activities of the Group or the Mandated Interested Person(s) are conducted, the Company will seek a fresh general mandate from the Shareholders based on new methods and procedures so that Mandated Transaction(s) will be carried out on an arm's length basis and on normal commercial terms and will not be prejudicial to the interests of the Company and its minority Shareholders.

5. VALIDITY PERIOD OF THE NEW IPT GENERAL MANDATE

Pursuant to Catalist Rule 920(2), the New IPT General Mandate will be effective from the date of the passing of the ordinary resolution for the proposed adoption of the New IPT General Mandate, and will continue to be in force until the conclusion of the next annual general meeting of the Company or the date by which such annual general meeting is required by law to be held, whichever is earlier, unless revoked or varied by the Company in a general meeting.

Approval from independent Shareholders will be sought for the renewal of the New IPT General Mandate at each subsequent annual general meeting of the Company, subject to the satisfactory review by the Audit Committee of its continued application to the Mandated Transaction(s). In accordance with Rule 920(1)(b)(viii) of the Catalist Rules, the Mandated Interested Person(s) and their Associates shall abstain from voting on resolution(s) involving themselves and the Group. Furthermore, such Mandated Interested Person(s) shall not act as proxies in relation to such resolution(s) unless voting instructions have been given by the appointing Shareholder.

6. ABSTENTION BY DIRECTORS AND MANDATED INTERESTED PERSONS

- (a) Abstention from recommendation by Director

Mr. Kao Shu-Kuo, a Non-Executive Director of the Company, is presently the Chairman of the board of directors of Acer Gaming. Accordingly, Mr. Kao Shu-Kuo will abstain from making any recommendation to Shareholders on Ordinary Resolution 5 in relation to the Proposed Adoption of the New IPT General Mandate, in his capacity as a Director.

- (b) Abstention from voting by Shareholders

In accordance with Rule 920(1)(b)(viii) of the Catalist Rules, the Mandated Interested Persons will abstain, and have undertaken to ensure that their respective associates will abstain, from voting at the extraordinary general meeting to be convened in

respect of the ordinary resolution for the proposed adoption of the New IPT General Mandate. The Mandated Interested Persons and their respective associates will also not accept appointments as proxies unless specific instructions as to voting are given.

7. OUR OPINION

In arriving at our opinion in respect of the New IPT General Mandate, we have considered, among other things, (a) the methods and procedures as well as the approval thresholds set out in the New IPT General Mandate; (b) the frequency of review of Mandated Transaction(s) by the Audit Committee and the internal auditors; (c) the role of the Audit Committee in relation to the New IPT General Mandate; and (d) the rationale for and benefits of the New IPT General Mandate.

Having regard to the considerations set out in this IFA Letter and the information available to us as at the Latest Practicable Date, Xandar Capital is of the opinion that the methods and procedures for determining the transaction prices of the Mandated Transaction(s), if adhered to, are sufficient to ensure that the Mandated Transaction(s) will be carried out on normal commercial terms, and will not be prejudicial to the interests of the Company and its minority Shareholders.

8. THIS IFA LETTER

This IFA Letter is prepared pursuant to Rule 920(1)(b)(v) of the Catalist Rules and addressed to the Audit Committee in connection with and for the purposes of their consideration of the ordinary resolution for the proposed adoption of the New IPT General Mandate and for inclusion in the Circular. NOTICE OF EXTRAORDINARY GENERAL MEETING

In voting for the resolutions set out in the Notice of EGM, Shareholders should note the following:

- (a) the passing of each of Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company are inter-conditional upon the passing of the other, meaning that the passing of Ordinary Resolution 1 in respect of the Placing and AIM Admission is conditional upon the passing of Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company, and *vice versa*. This means that if any of Ordinary Resolution 1 or Special Resolution 1 is not approved by Shareholders at the EGM, none of Ordinary Resolution 1 and Special Resolution 1 would be passed;
- (b) the passing of Ordinary Resolution 2 in respect of the proposed placement of up to 860,000 New Shares at the Placing Price to Mr. Johnny Jan is contingent upon the passing of Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company. - (d) the passing of Ordinary Resolution 4 in respect of the Acer Placement is contingent upon the passing of Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company. This means that if Ordinary Resolution 1 in respect of the Placing and AIM Admission and/or if Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company is not approved by Shareholders, Ordinary Resolution 4 in respect of the Acer Placement will not be passed;

NOTICE OF EXTRAORDINARY GENERAL MEETING

- (e) the passing of Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company **are not conditional** upon the passing of Ordinary Resolution 4 in respect of the Acer Placement. This means that even if Ordinary Resolution 4 in respect of the Acer Placement is not approved by Shareholders at the EGM but Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company are approved by Shareholders at the EGM, Ordinary Resolution 1 in respect of the Placing and AIM Admission and Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company will still be passed; and
- (f) the passing of Ordinary Resolution 5 in respect of the Proposed Adoption of the New IPT General Mandate **is not conditional** upon the passing of Ordinary Resolution 1 in respect of the Placing and AIM Admission, Ordinary Resolution 2 in respect of the proposed placement of up to 860,000 New Shares at the Placing Price to Mr. Johnny Jan, Ordinary Resolution 3 in respect of the proposed placement of up to 350,000 New Shares at the Placing Price to Mr. Oliver Yen, Ordinary Resolution 4 in respect of the Acer Placement and/or Special Resolution 1 in respect of the Proposed Adoption of the New M&AA by the Company.
